# Dedication

On behalf of the student body, the yearbook staff wishes to dedicate the *1970 Torch* to a person who has been both a teacher and a friend to the students at Pioneer.

She was born in Monterey Park, California, and attended elementary schools there. In 1950 her family moved to Pico Rivera, where she attended Rivera Junior High and El Rancho High School. While at El Rancho, she was an active member of the drill team, executive commission, and Girls' Council. She served as G.A.A. president and as Publicity Commissioner, and was Girls' State Representative.

Upon graduation from El Rancho in 1950, she received a Ford Motor Company Scholarship, and enrolled in Whittier College. There, she was elected President of the Associated Women Students and was a winner of the Cap and Gown award for high scholastic achievement.

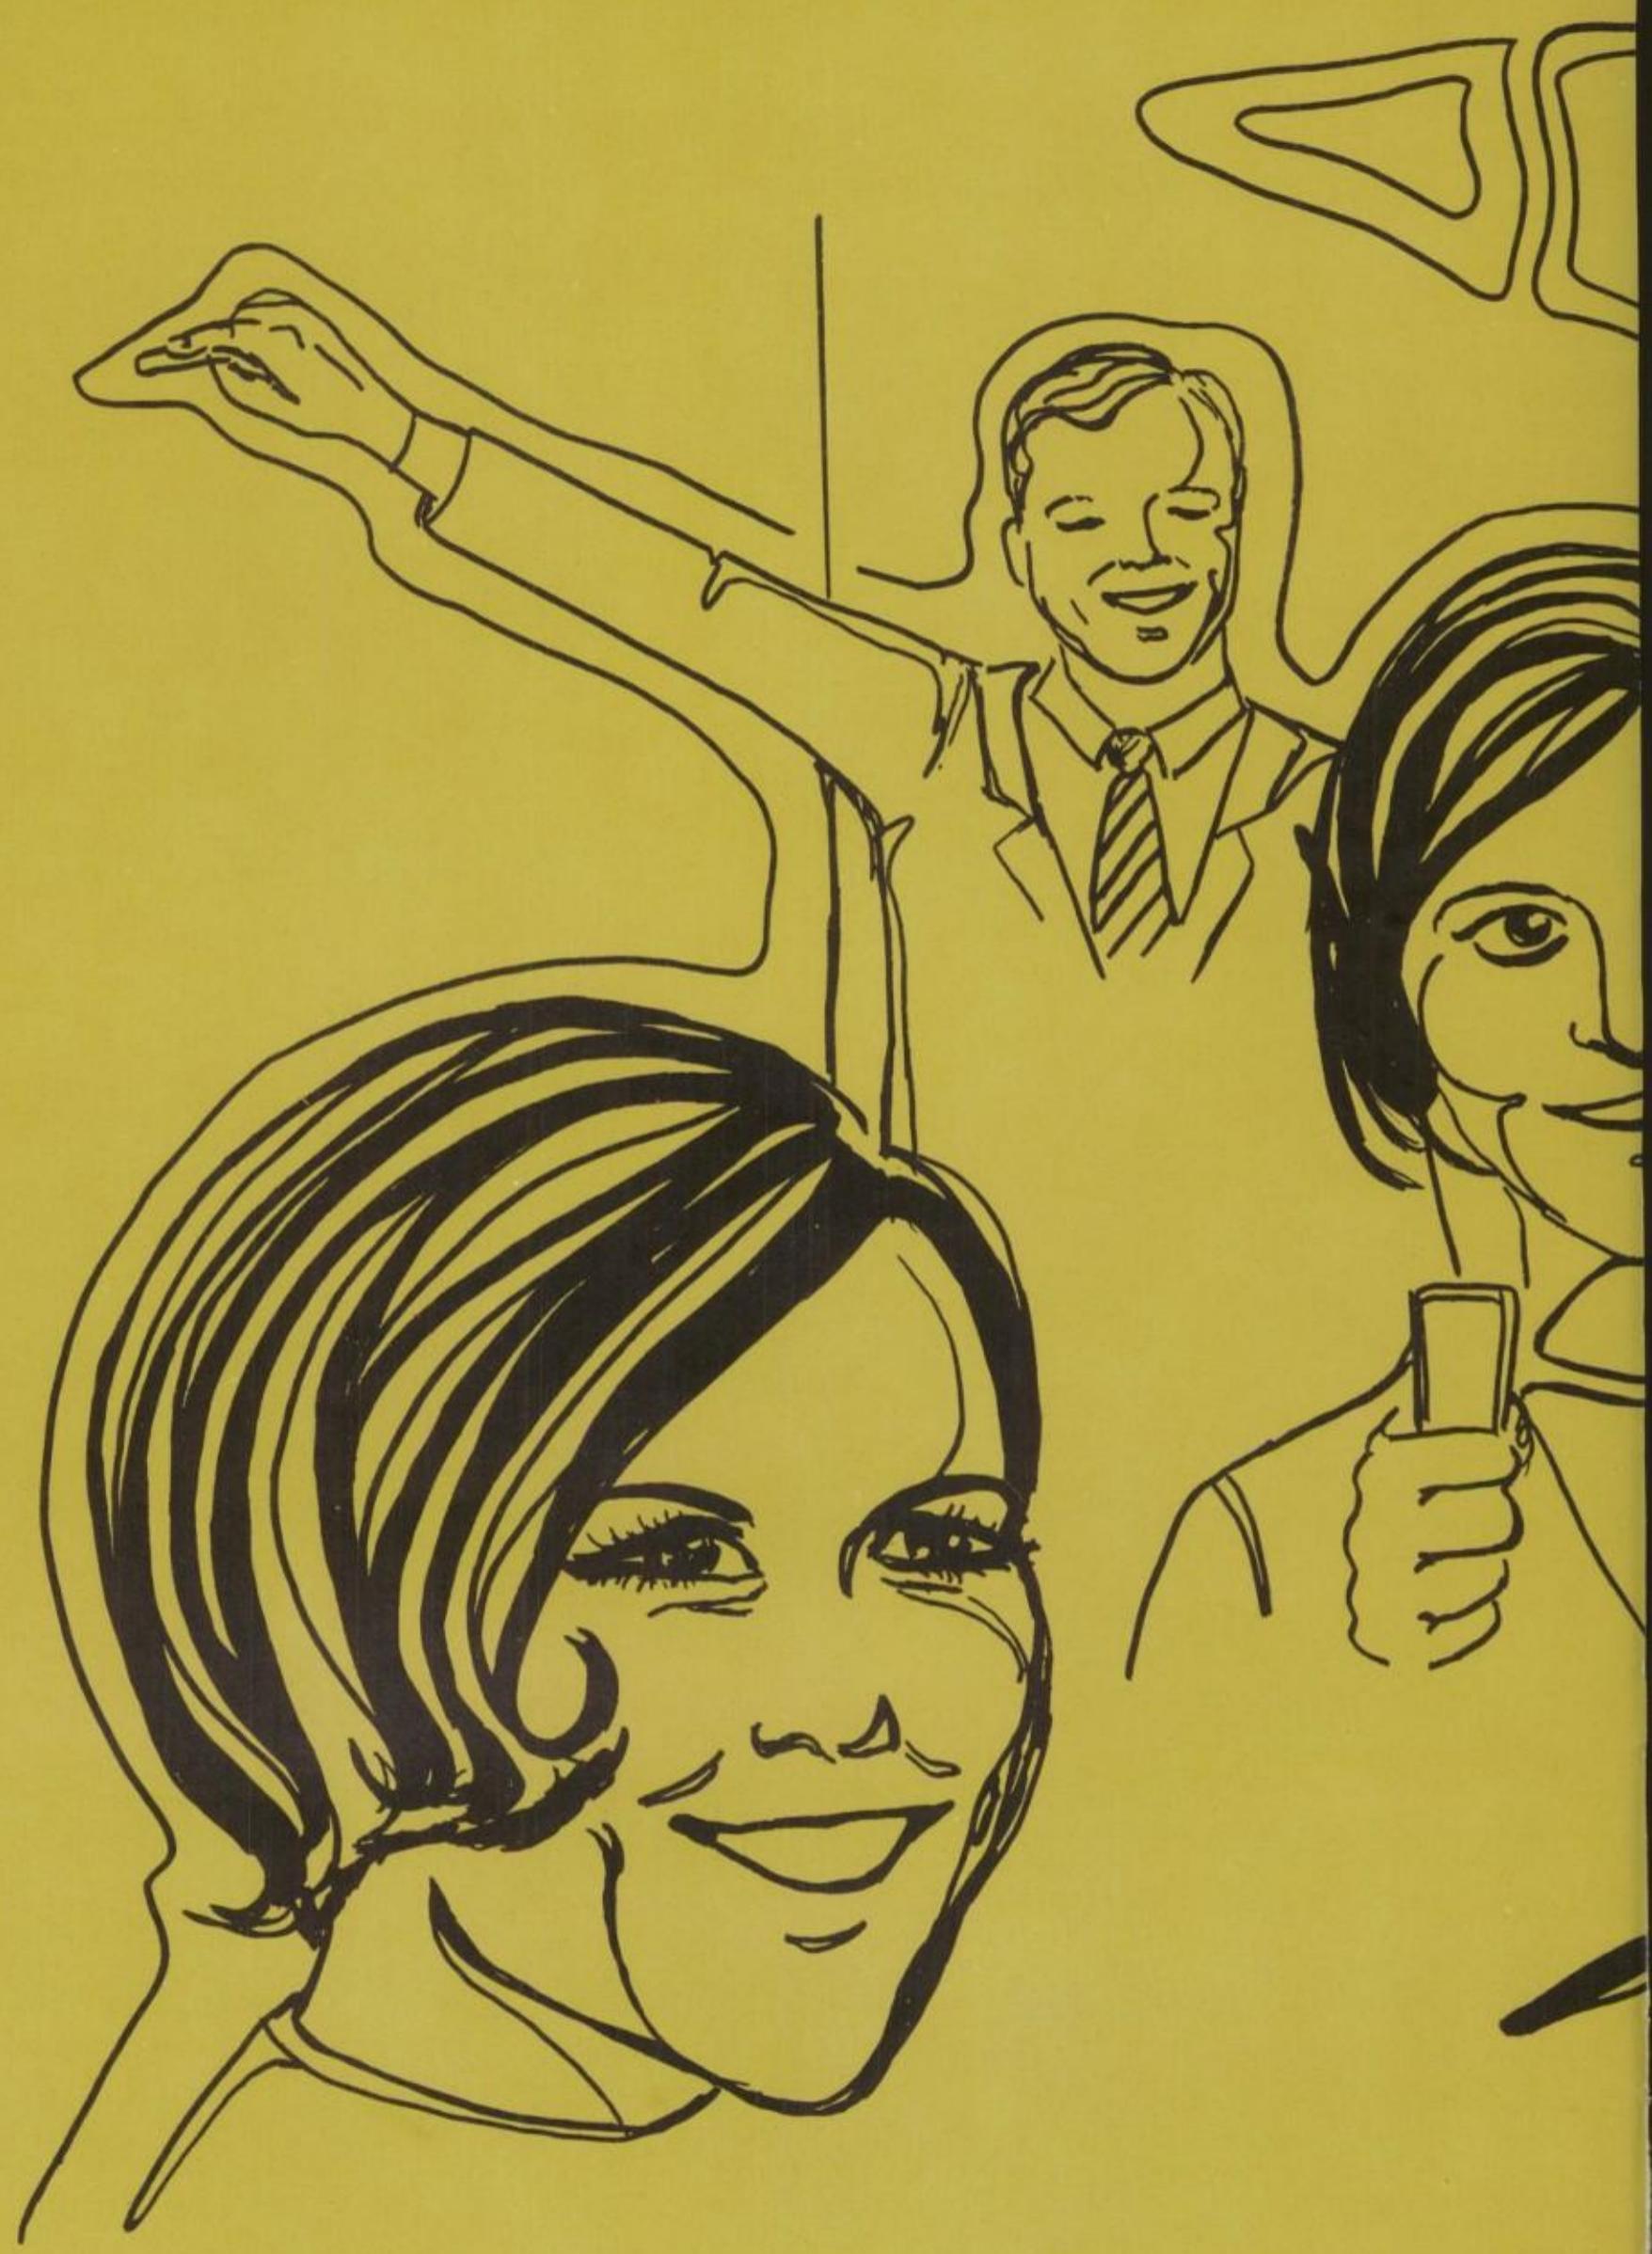

She then attended graduate school for a year, and received her teaching credentials. Her first teaching assignment was at Los Altos High School in Hacienda

Heights. After teaching there for a year, she heard of an opening for a drill team advisor at Pioneer, and applied for the job. She came to Pioneer in 1964 to advise the drill team and to teach physical education.

As a teacher, drill team advisor, and Girls' League advisor, she has devoted herself to the girls at Pioneer High School. She has given countless hours of her time to planning for Girls' League activities, preparing for and attending drill team competitions, and advising and helping her students. In gratitude for all that she has given to the school, the *1970 Torch* is respectfully dedicated to:

Teachers' Club Officers, seated: Jim Rafferty, Mrs. Carolyn Noseff, Les Riggins. Standing: Fred Van Wickle, Jim Fretz, Dave Van Pelt, Ron Budensiek.

Seated: Superintendent D.A. Morrissey. Standing: Mr. Earle Fisher, Assistant Superintendent, Business Services; Mr. Arthur Hobson, Assistant Superintendent, Educational Services; Mr. Eugene Wineinger, Assistant Superintendent, Personnel Services.

## Adult Groups Serve School and Community

The District Administrators, Board of Trustees, Teachers' Club, and Parent-Teacher Association are four groups of adults dedicated to the betterment of education and student life at Pioneer and in the Whittier Union High School District.

Serving his first year as Superintendent of the High School District, Mr. D.A. Morrissey effectively directed the operation of the seven schools.

Among the topics which concerned the Board of Trustees were: the implementation of several curriculum changes, and budgeting the district's money in a year which saw a scarcity of school funds throughout the state.

The PTA makes possible communication between the school and the community.

Board of Trustees, seated; Mrs. Virginia Macy, member; Mr. Edgar Romberg, President; Mr. M.L. McMahon, Clerk. Standing: Mr. M.G. Garman, Vice President; Mr. C. Everett Hunt, member.

## Jack Jines Leads Concerned Staff

Under the leadership of Principal Jack Jines, the administrative staff did an effective job of supervising the operation of the school. Jerry Haines and Bill Kirk continued in their positions as Assistant Principals of Curriculum and Guidance. Hal Reid took over the job of Assistant Principal in Business and Activities.

The staff once again was concerned with creating better communication between administrators, teachers, and students. Discussion groups composed of a cross section of students and faculty members were created to discuss ways to improve Pioneer.

# Two New Faces Join Effective Guidance Staff

Pioneer's counseling staff gained two new members this year. Del Rock and Ron Rhodes, former teachers at Pioneer, joined veterans Mrs. Zane Thompson, Bob Fiske, and Head Counselor J. C. Low on the regular counseling staff. Dave Van Pelt once again served as Vocational Counselor.

The Guidance Office staff worked hard to serve the students at Pioneer. Their duties included college and vocational counseling, maintaining discipline on campus, and advising underclassmen about their class programs for the 1970-71 school year.

## Special Services Assist Students

The four staff members grouped under the title of "Special Services" work closely with the students in various school-related areas. John Kimmick is a familiar face to Pioneer students, most of whom met him as a substitute teacher at some time during the school year. Joe Hazard assisted students in the Titan library. Jim Fretz, a business education teacher, assumed the part-time duties of Assistant in Student Activities, and Mrs. Doris Dean looked after the health of the students.

## Diligent Secretaries Mourn Mrs. Nicholson's Retirement

Pioneer was again served by a friendly, hard-working group of secretaries. A ready smile and a willingness to help have become trademarks of the Titan secretaries. This year they showed their school spirit by wearing special "Friday outfits" of green and white.

The staff lost one of its members in December when Mrs. Emily Nicholson retired after ten years at Pioneer. She was a familiar face in the health office and was a witness to the growth of the campus.

The custodial and cafeteria crews are among the important people "behind the scenes" who make it possible for Pioneer to operate smoothly. In addition to keeping the classrooms and grounds clean, the ten-member custodial crew sets up equipment for all Titan assemblies, games, and activities. The cafeteria crew works hard preparing hot lunches for hungry Titans. This year the cafeteria workers also took charge of selling food in the snack shack. Mrs. Elizabeth Fowler and Willie oversee the operation of the girls' and boys' locker rooms.

# Cabinet Raises Funds, Plans Events

Led by President Pichard Londeree, the Associated Student Body Cabinet planned student activities and worked on various fund-raising projects. Traditional Titan activities such as the carnival, the donkey basketball game, assemblies, after-game dances, and homecoming were organized by the group.

A major concern of the student body officers was the

Bob Thome benefit fund. The group worked with the PTA and the Varsity Club to raise money to pay for part of the hospitalization costs of the injured Titan athlete. The Cabinet's role was to publicize the fund-raising venture. This entailed correspondence with area high schools and newspapers.

## Boys', Girls' Leagues Plan Many Events

The Girls' League Officers, one of the most active groups campus, was kept busy planning activities to make this year a memorable one for the girls at Pioneer. Chris Newsom planned the winter formal, "Crystal Moments". Jeanne Raymond was responsible for Titanette Review, which was presented in mid-March. Both these activities, as well as the mother-daughter desserts and girls' assemblies, were co-ordinated by Kaly Murphy, President, and Miss Marilynn Littlefield, Advisor.

The Boys' League sponsored Pioneer's annual Car Show, and also presented many boys' assemblies. The assembly featuring films of the L.A. Rams in action was especially popular.

Boys' League Officers: Andy Castillo, President, and Bob Aquino, Vice President.

Girls' League Officers, seated: Michele Wilson, Antoinette Duran, Kaly Murphy, Jeanne Raymond, Virginia Coria. Standing: Chris Newsom, Martha McCollum, Debi Romero.

## Girls', Boys' Councils in New Roles

The role of Pioneer's Boys' and Girls' Councils underwent a big change during the 1969-70 school year. Originally set up to help the students at Pioneer by enforcing dress code rules, the two groups were "put out of business" with the adoption of the new, more liberal dress code. Both groups, however, continued to

act as an intermediary between students and the Guidance Office in the enforcement of smoking and over-affection rules. The council members also discussed possible new purposes, objectives, and activities for the organizations. The Girls' Council members voted to become a service organization.

# Congress Links Students, ASB Cabinet

Congress is the individual student's most effective means of communicating his ideas about student affairs to the Associated Student Body Cabinet and to the Administration. It is designed to help every student become more actively involved in the student government process. Each social studies class elects a congressman and an alternate to represent them in Congress. Through his representative, a student may present to the A.S.B Cabinet his position on an area of

student concern. This year, as in every year, the Cabinet has turned to the Congress often to find out the students' viewpoint on various matters.

Items included on the 1969-70 Congress agenda were: ways to improve the election convention, the Wednesday Modified Schedule proposal, and the Bob Thome Fund.

Gary Butts served as Speaker of Congress and Alex Terrazas was Parliamentarian for the organization.

From the time of their election in May, 1969, the twelve members of the song leading and yell leading squads worked to promote pep and spirit at Pioneer. They also sponsored bottle drives, attended swap meets, and sold cokes and snow cones to raise money for their uniforms.

# Flagsters Add Color, Enthusiasm to Games

The flagsters, twirling their geometric green, black, and white flags, were an important part of the Titan pep squad. They were chosen in May, 1969, by the 1968-69 flagsters and advisor. The girls began soon after to make up the routines they performed at assemblies, football games, and basketball games. The group differed from previous Titan flagsters in that none of them had been a flag twirler the previous year. Somewhat handicapped by an absence of veterans, the new flagsters made up for their lack of experience with extra practice and a great deal of enthusiasm.

# Bees Raise Spirit, Money for Teams

Debbie Elliot Head Bee Yell Leader

Among the most enthusiastic supporters of the Pioneer Bee football and basketball teams were the spirited Bee Yell Leaders. Led by Debbie Elliot, the girls accompanied the Bee teams to games, promoted pep, and led yells for the Bees' fans. The group began preparations for an active year during the summer when they began to practice their routines for games, assemblies, and pep rallies. They also earned money for uniform expenses by sponsoring bake sales and paper drives.

The Bees' activities included baking cupcakes for the teams, decorating the pepstage, sponsoring parties for the Bee and Cee teams at the end of the season, and selling merchandise to help buy uniforms for the team.

# Award-winning Majorettes and Banner Bearers Are Another Important Part of Pep Squad

The Banner Bearers and Majorettes were important members of the 1969-70 pep squad. They accompanied the band and drill team at parades and pre-game shows. The majorettes also participated in football halftime shows.

The six-member majorette squad was the best in Pioneer's history. The group, led by Head Majorette Jamie Stephens,

included veterans Debbie Threadgill and Mary Lou Gerlach, and newcomers Melody Jett, Helen Mulder, and Debbie Moore. The twirlers won two awards in parade competition, including a first place trophy at the El Monte Christmas parade.

The Banner Bearers were led by Nancy Urtusuastegui.

# Drill Team Successful in Competition

Once again, Pioneer's Titanette Drill Team enjoyed a successful year in parade and halftime show competition. Led by Dana Rorabaugh and Jeanne Raymond, the drill team executed their parade routine and competition show with skill and precision which earned them a place in every event in which they competed. In addition to attending competition events, the drill team also presented halftime shows at home football and basketball games, and performed at many assemblies during the school year.

# Band Follows Busy Parade Schedule

During the 1969-70 school year, the 72-member Titan Marching Band performed at football games, assemblies, and parades. Enthusiastically received at halftime shows during the football season, the band performed many intricate routines and musical numbers for the entertainment of Titan football fans.

The band participated in five competition parades and accumulated many awards, including a first place at the El Monte Christmas Parade. They also marched in one non-competitive parade, the annual Uptown Whittier Christmas Parade.

In order to raise money for new uniforms and other expenses, the band sponsored the Third Annual Pioneer Band Jamboree. Bands from other schools in the area participated in the halftime show competition which was held in the Titan Stadium.

The band was led by Drum Major Earl Crawford, who was serving in that capacity for the second year.

# "Those Were the Days"

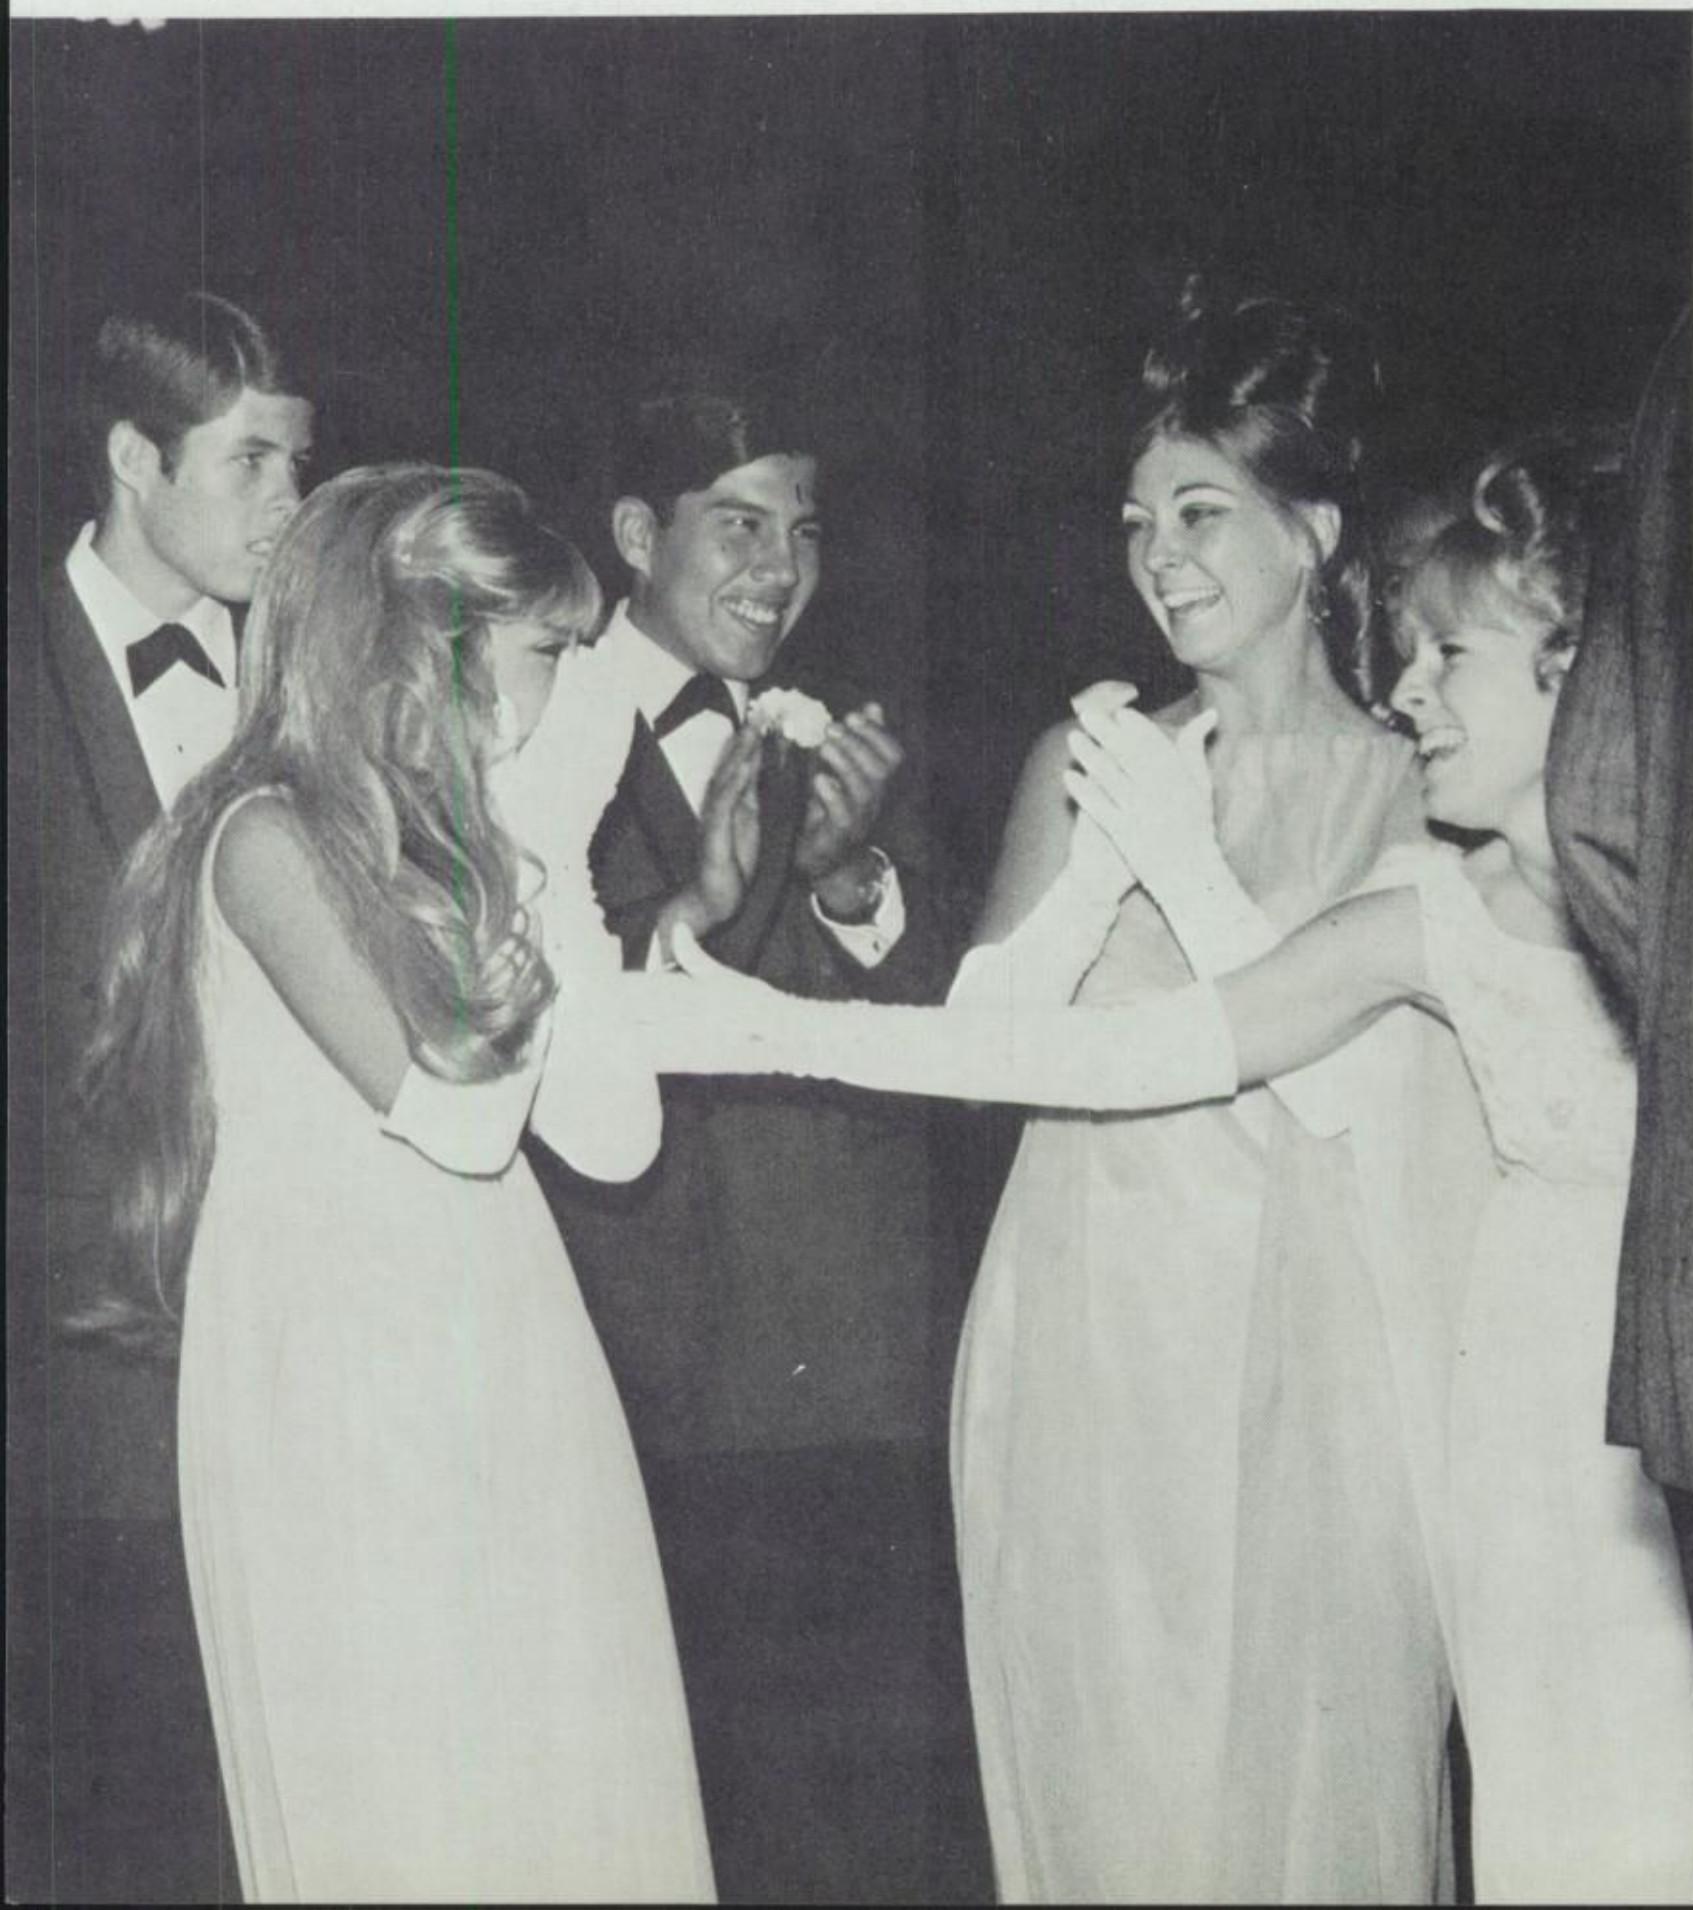

## Is Theme of 1969

### Homecoming

Homecoming at Pioneer is traditionally an exciting and memorable event, and Homecoming 1969 was no exception. Actual preparations began weeks before, when the Cabinet selected the theme, "Those Were the Days." The members of the court were nominated by the Senior Class Council and Varsity Club, and voted on by the

Senior Class. The entire student body voted for the queen.

Alumni from Pioneer's nine graduating classes returned to Pihi on Friday. The annual homecoming assembly was held in the stadium that afternoon. Later that day, Nancy Urtusuastegui was crowned Homecoming Queen during half-time of the football game against Whittier.

## Drama Department Turns Our Campus into "Our Town"

The Drama Department's 1969 fall production was Thornton Wilder's Pulitzer Prize-winning play, *Our Town*. The drama about the simple way of life in a small American town was presented by the Thespians on November 21st and 22nd in the school cafeteria. The cast was headed by Jim Todd as the Stage Manager, Richard Morrill as George Gibbs, and Cindy Tewes as Emily Webb. Feature roles were portrayed by Mindy Dixon, Phil McMurtrey, Barbara Gregory, Paul Popoff, Penny Dummit, and Bruce Petrell.

The play was produced under the guidance of Drama Coach George Whatley, Student Director Mindy Dixon, and Technical Director Shelley Parness.

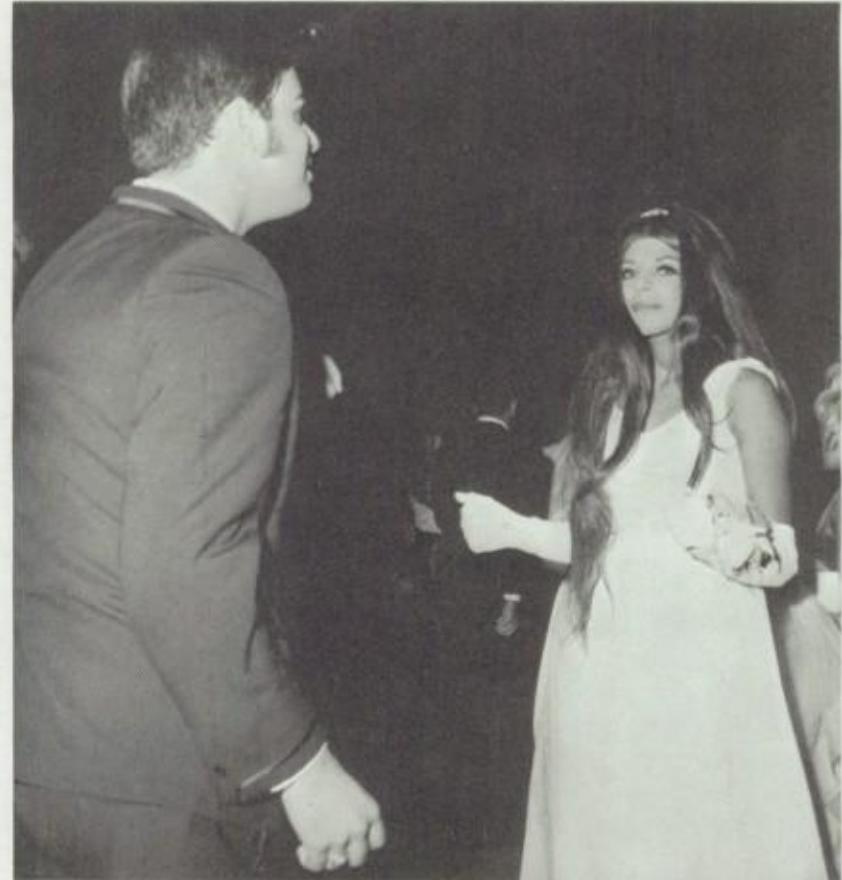

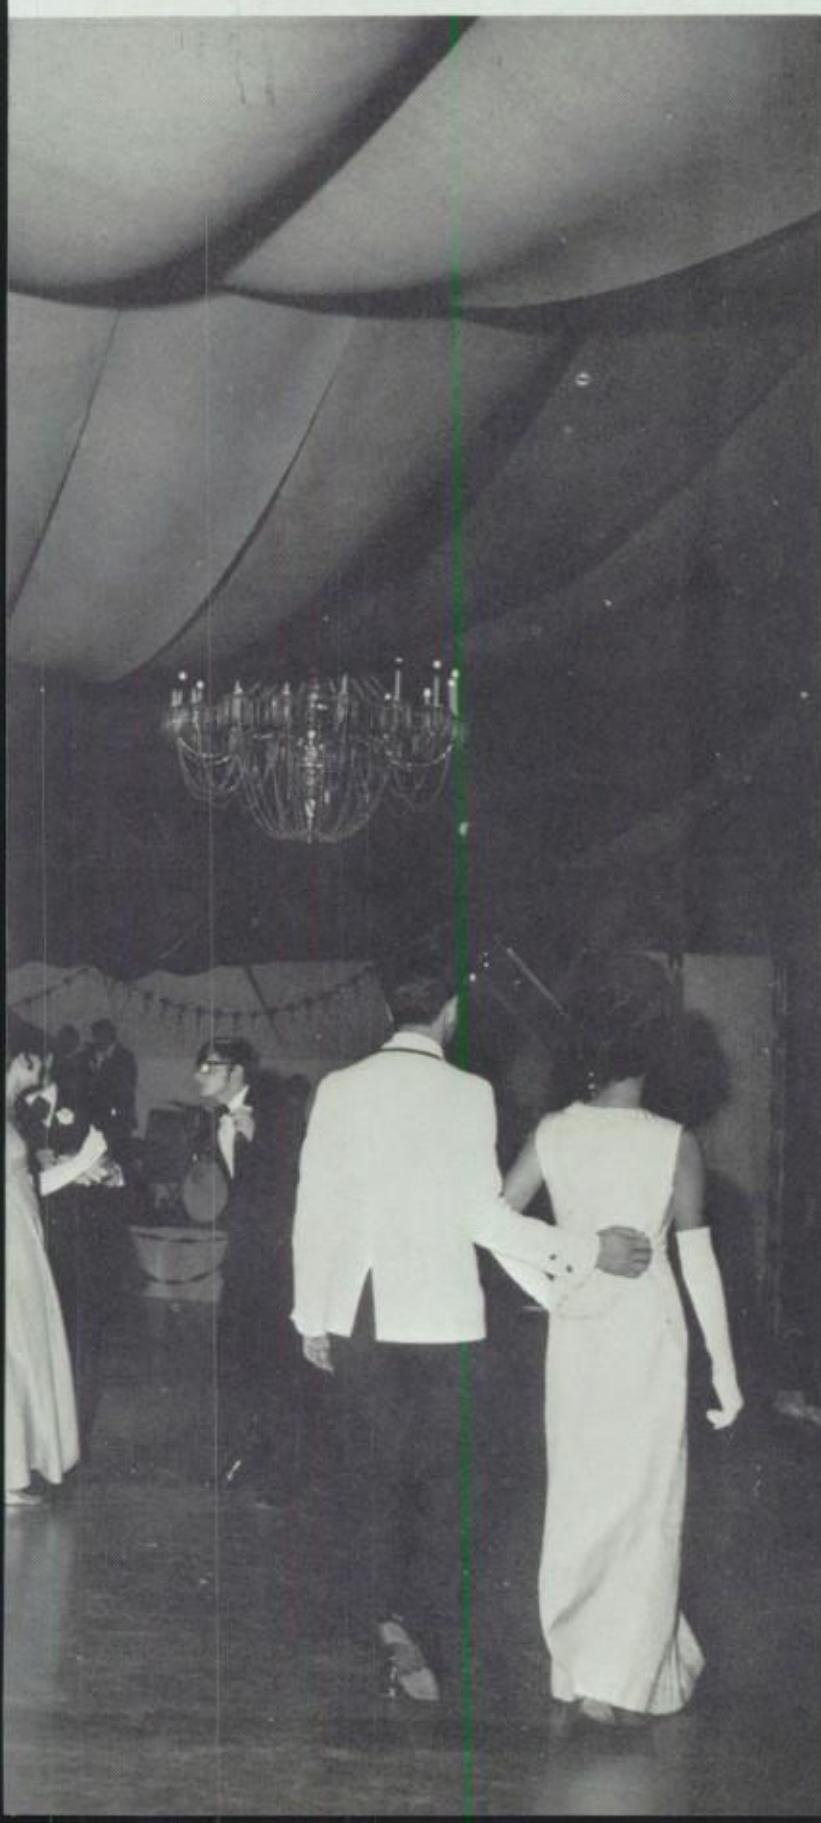

In photo at upper left, Jim Todd tells the audience about life in Grover's Corners, New Hampshire. Upper middle: Mindy Dixon helps rid Richard Morrill of his pre-wedding jitters. # "Crystal Moments" Theme Selected for Girls' League Dance

"Crystal Moments" was the theme on the evening of December 13th as the gym was transformed into an elegant ballroom for the annual Girls' League Dance. The formal dance has become a traditional affair at Pioneer to which the girl invites the boy of her choice and pays for the tickets and dinner.

Chris Newsom took charge of planning the decor, which included a red, white, and gold color scheme. Crystal chandeliers, mirrors, and Christmas trees helped create a pleasant atmosphere for the dance.

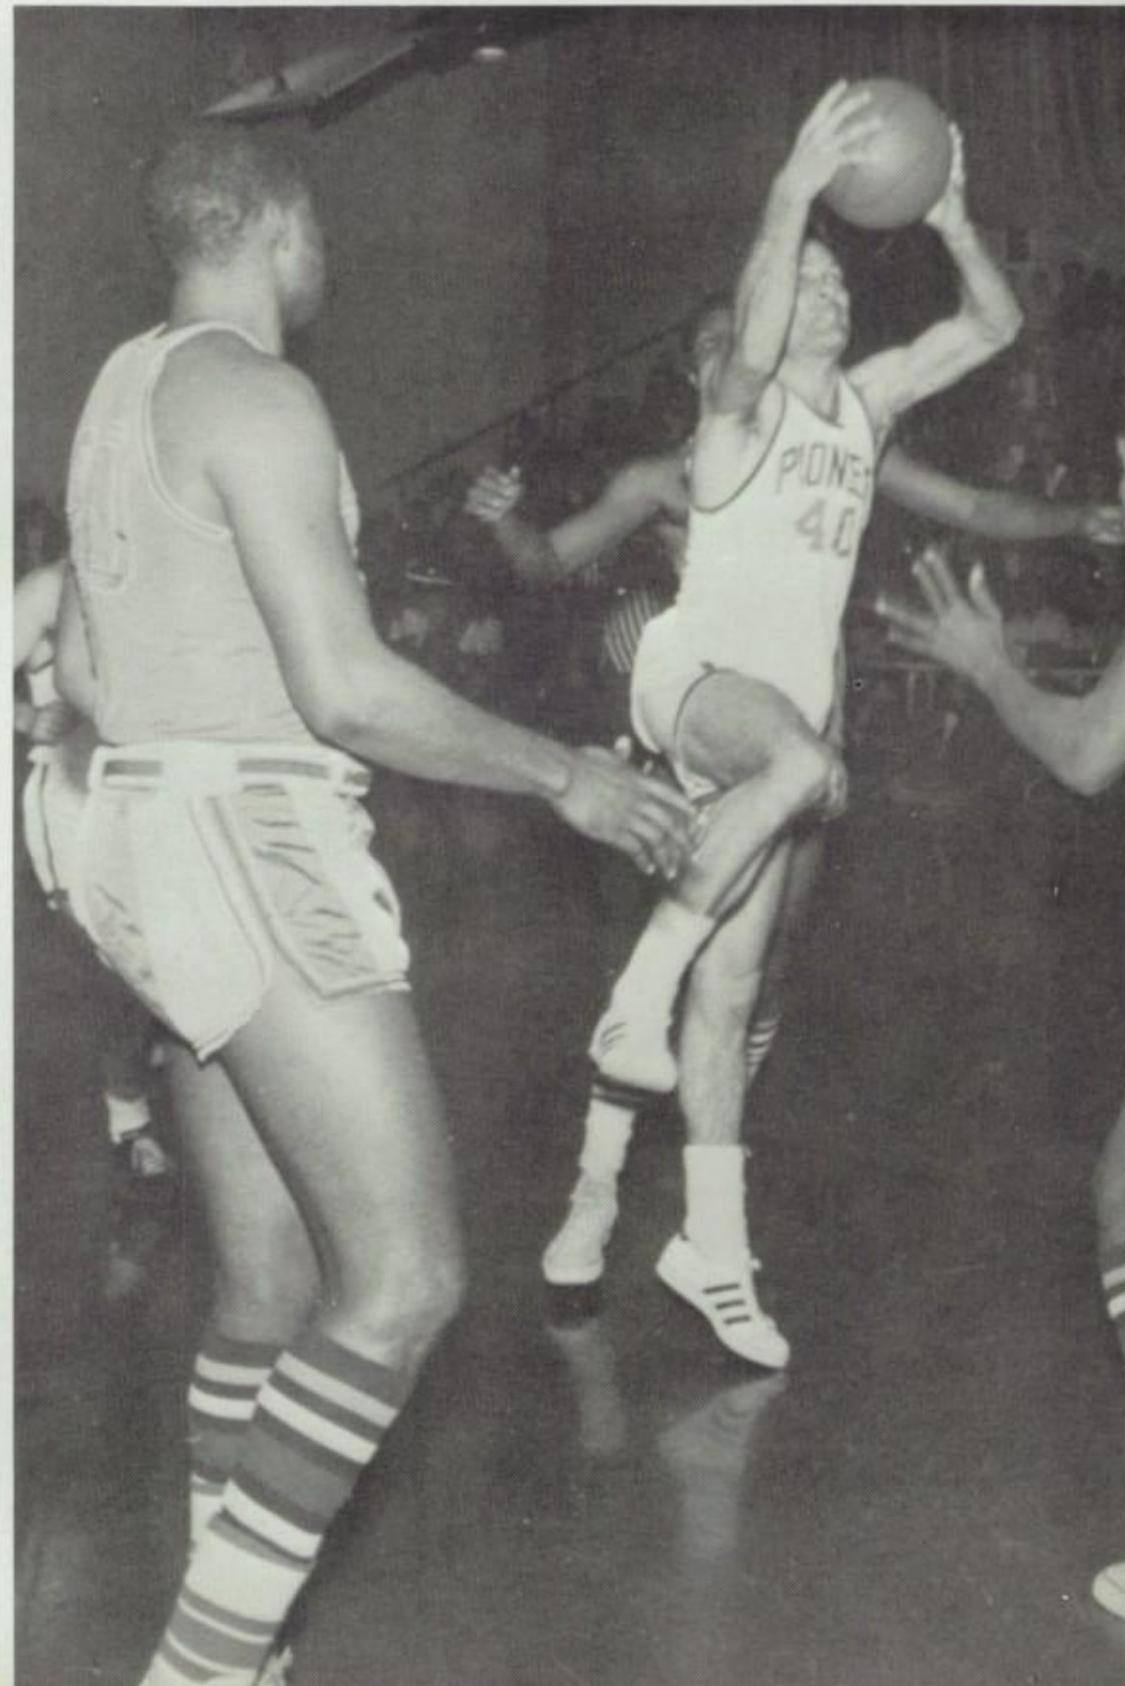

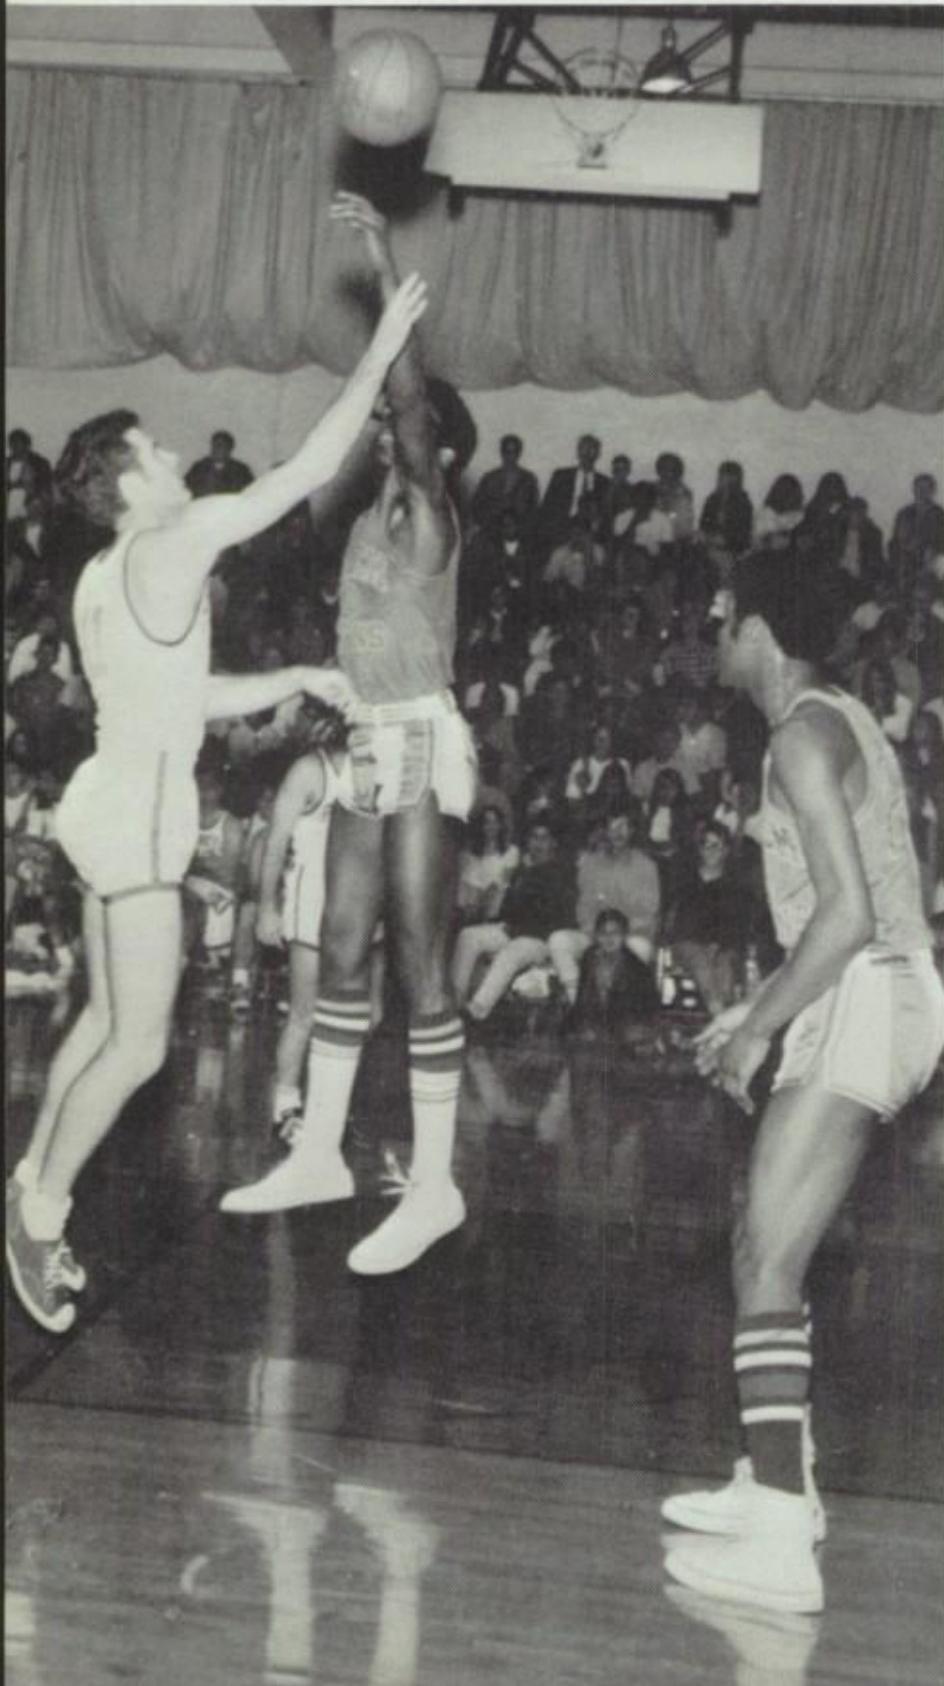

In the pictures at the top of each page, Titans are shown enjoying themselves on the dance floor and in the lounge area. At far left, Carol Urtusuaslegui and two other volunteers serve punch to thirsty dancers. In the picture at left, Titans and their guests sway to the music of the band. # "Clowns" Game Benefits Exchange Student Program

The American Field Service again sponsored the Harlem Clowns Basketball Game to raise money for the foreign exchange student program. Members of the Pioneer faculty, led by Captain Steve Kemp, met the Clowns in an entertaining game of basketball. The faculty members gamely played the role of target for the Clowns' stunts and unorthodox methods of playing the game and interpreting the rules of basketball.

The members of the International Club sold refreshments at the game, adding to the funds necessary for Pioneer's participation in the international exchange student program.

At far left, Tom Maeder has his shot blocked by a Clown. Steve Kemp and Jim O'Connor watch one of Ed Moriarty's shots swish through the net (upper center). At bottom center, Steve Kemp drives toward the

basket through a crowd. Dan Lopez and Bob Spindola battle for a rebound as Dave Van Pelt looks on (above).

# 3rd Annual Carnival a Huge Success

Pioneer's third annual Associated Student Body Carnival was held in the student parking lot on Friday, Saturday, and Sunday, March 6th, 7th, and 8th. Stark and Sons Company operated the rides and provided the game booths which lined the carnival midway. Various clubs, organizations and class councils raised money by renting and operating one of the booths. The Associated Student Body received a percentage of the profits from both the games and the rides, and added about \$3,000 to student body funds.

Preparation for the carnival was begun by the A.S.B. Cabinet months before the event took place. Under the direction of Carnival Chairman Suzi Bigham, clubs were contacted about sponsoring booths, people were chosen for various working and supervisory jobs, and the carnival was publicized at area schools and in the community. The many hours of hard work by the cabinet, student body, and faculty resulted in a successful carnival enjoyed by all who attended.

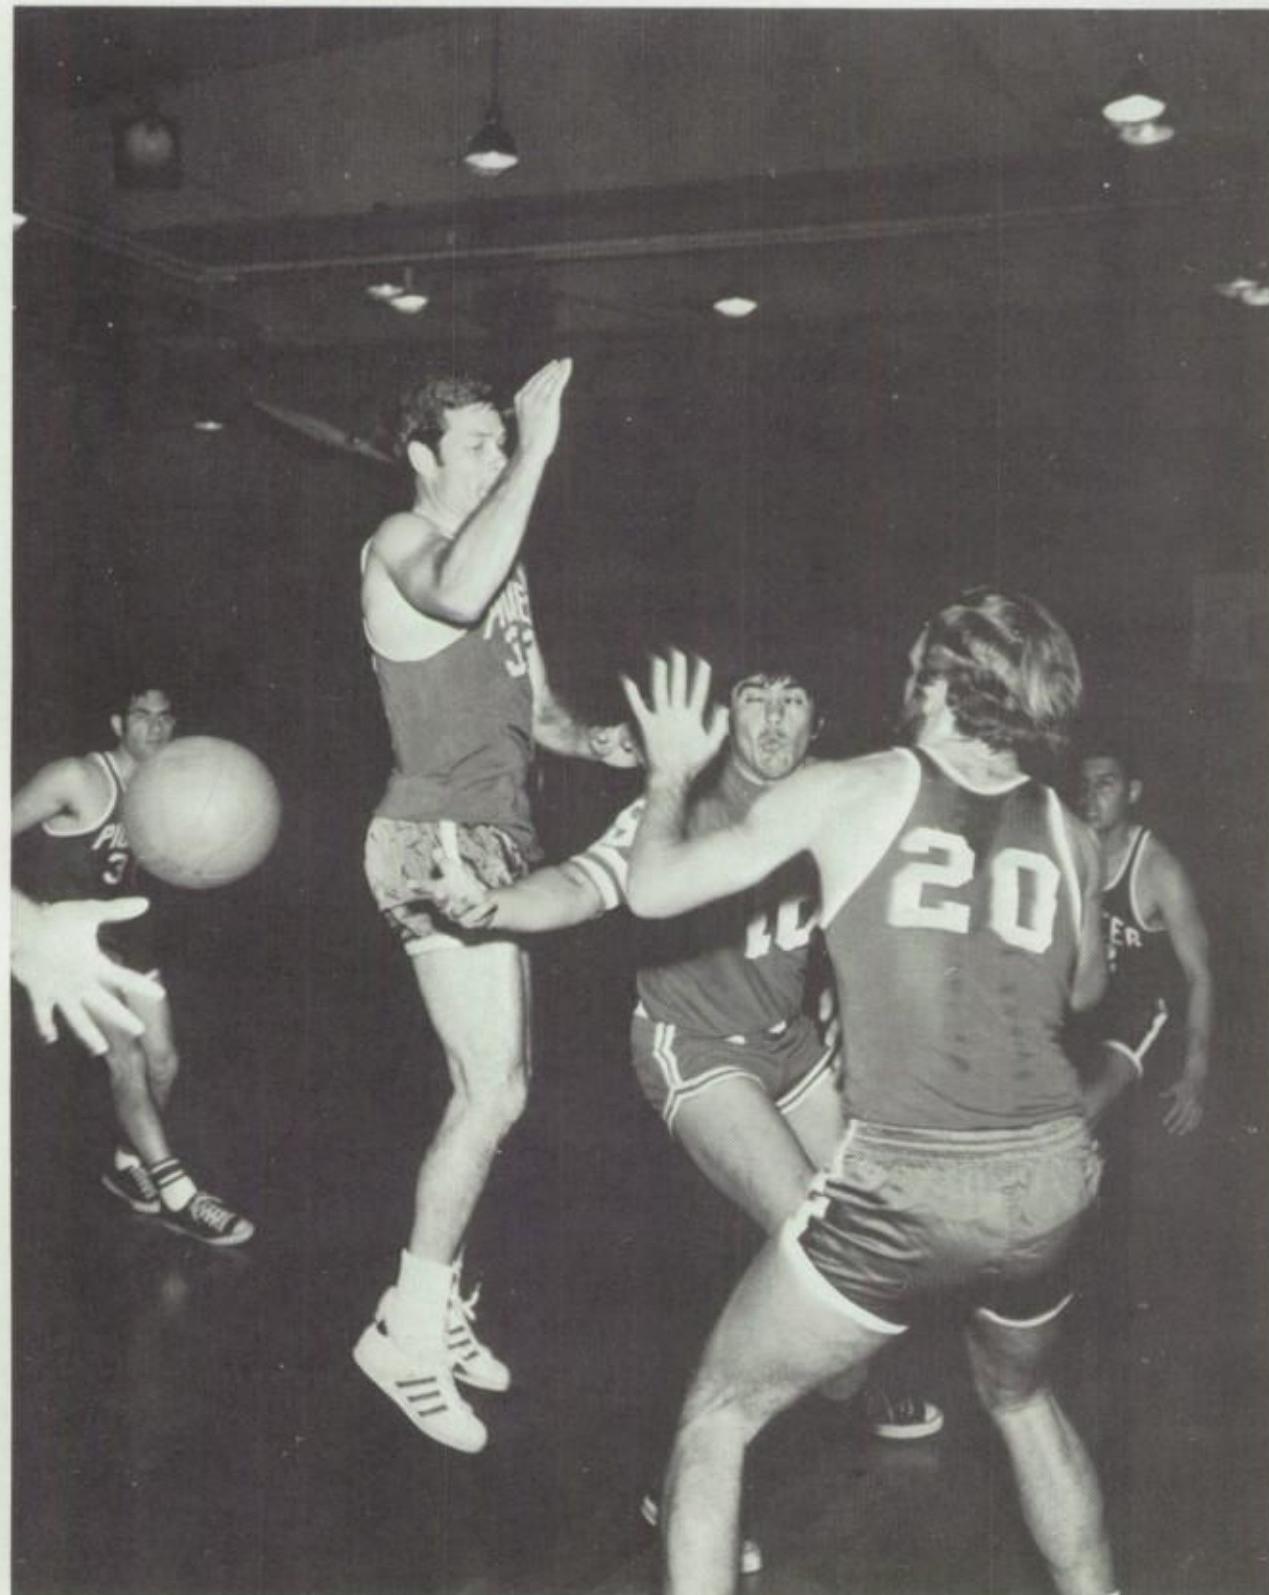

Youngsters enjoy the "mini-rollercoaster", one of the rides for the neighborhood small fry (lower left). The "round-up" and the ferris wheel were two of the most popular rides at the three-day event (middle photo). Hot dogs and Coke are always in big demand at a carnival (left). # L.A. Rams Steamroll Faculty in "Gentle" Game of Basketball

The faculty members met the Los Angeles Rams in a hard-fought basketball game on Thursday, March 12th. The Lettermen's Club sponsored the event, which was held this year for the first time. The game was won by the Rams, 59-58. Captain Steve Kemp led the faculty team, which included: Tom Maeder, Maury Cauchon, Luis Hernandez, Steve Powell, Jim O'Connor, Dave Van Pelt, Mike McCord, Gene Fradella, Dick Preston.

At far right, "Captain Nasty's Brawling Buccaneers" execute a high kick during one of their dances. Below that, "The Last of the Mohicans" dance their way to second prize.

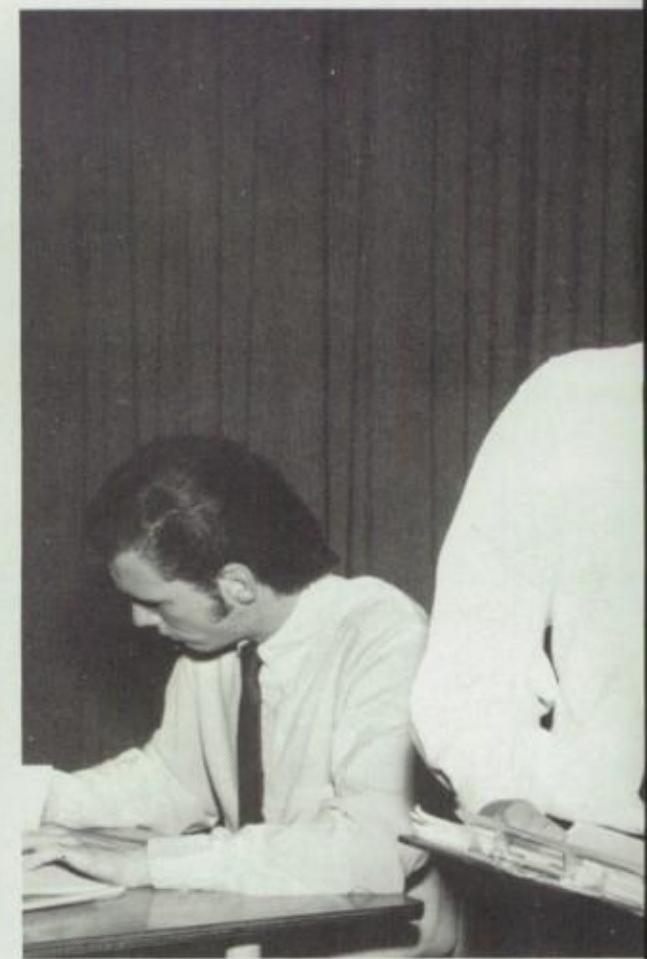

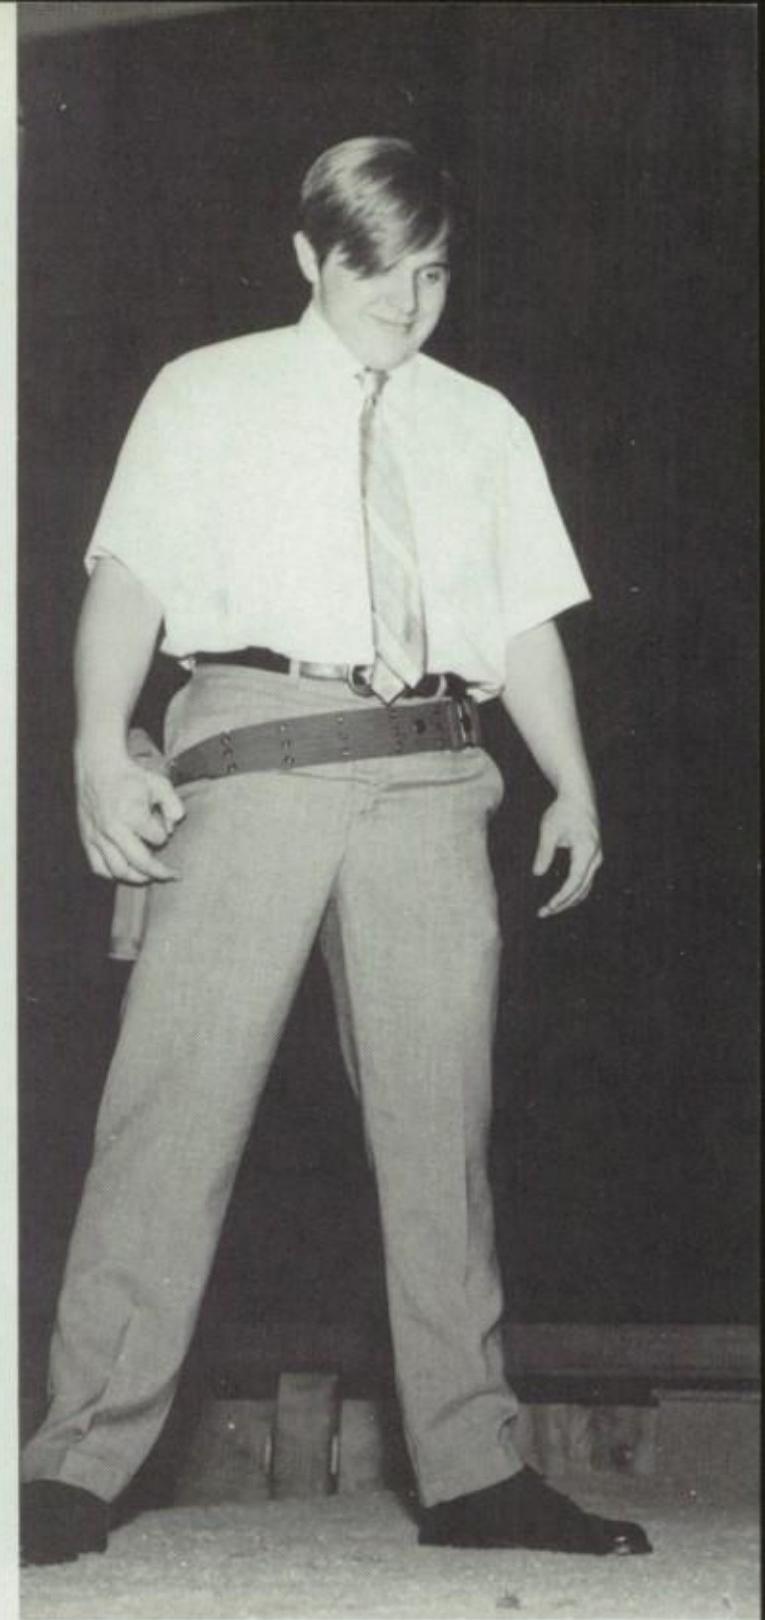

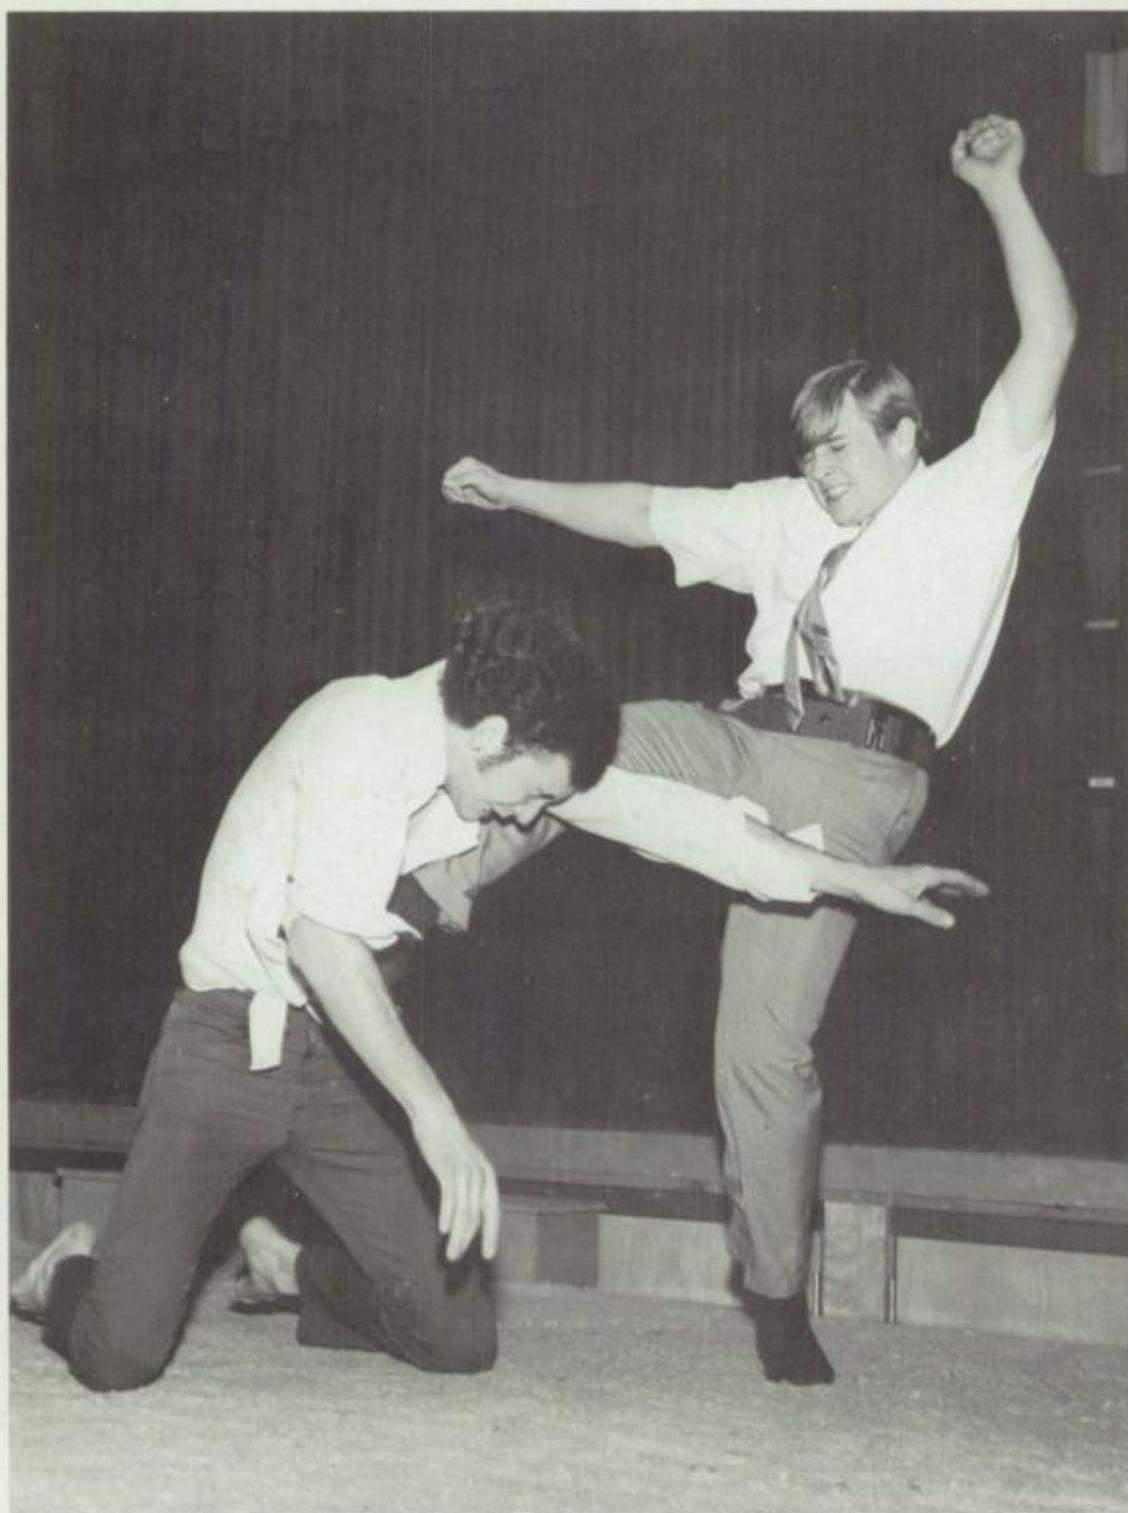

# Titanettes Present Annual Dance Show, "Cinema Capers"

The Pioneer Girls' League presented their annual Titanette Review on Thursday and Friday, March 19th and 20th. The theme of this year's Review was "Cinema Capers". Under the leadership of Girls' League First Vice President Jeanne Raymond, the girls began to prepare for the show as soon as the theme was announced in early February. Tryouts were held late in February, and ten groups were selected to appear in the show.

Five awards were presented to the various groups on Saturday, March 20th. "The Twelve Hairy Loves of Brunhilde" won the Sweepstakes award, "The Last of the Mohicans" won second place, and "Captain Nasty's Brawling Buccaneers" won third place. The co-operation award, based on attendance and on the vote of the girls in the show, went to the "Curly Tops". The Pop's Prize, which was chosen by a vote of the men in the audience, was won by the "Pink Panthers".

# Thespian Production “1984” Well Received by Three Audiences

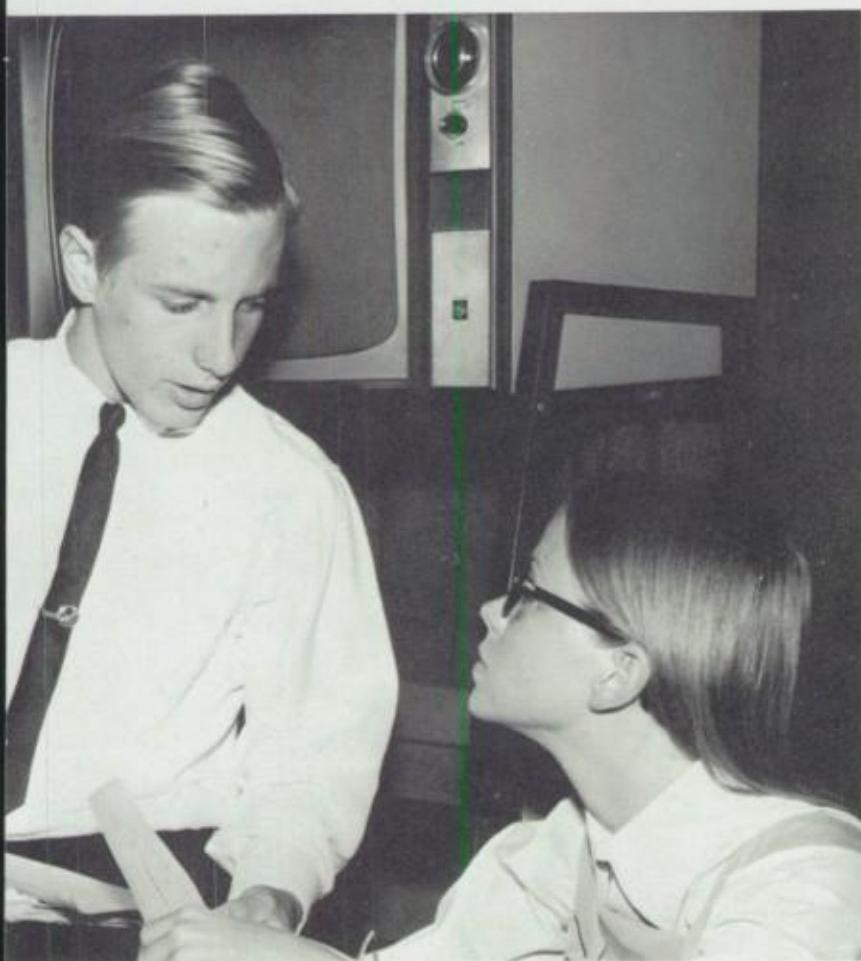

The Thespian Society presented “1984” as their Spring Play for 1970. George Orwell’s dramatic story of the future predicts the existence of a total dictatorship in the year 1984.

The Thespians employed “Thrust” staging for the play, a technique used with small audiences to achieve total involvement of the audience with the performance.

The cast, which was directed by Theater Arts teacher George Whatley, included: Richard Morrill, Mindy Dixon, Phil McMurtrey, Taffy Tewes, Cindy Tewes, Shelley Parness, Larry Keim, Penny Dummit, and Jim Todd.

At upper left, Martin (Larry Keim) beats Winston (Richard Morrill). Upper center: Martin and O’Brien (Phil McMurtrey) look on as Winston breaks under the strain of interrogation. # Louise Usselman Channels Efforts of Annual Staff

Cooperation and hard work were the essential ingredients which went into the production of the Titan yearbook. The *Torch* staff combined their efforts to produce a yearbook which would accurately record the major events of the school year.

In her second year as editor-in-chief, Louise Usselman supervised every portion of the book. Dana Jenkins and Phyllis Erb handled all matters involving bookkeeping. John Letcher served his second year as faculty advisor for the book.

# Two Editors Help Insure Quality of Weekly Paper

Carrie Telesio, Co-Editor

Published weekly, the *Titan Tribune* was once again the product of Newsstaff, under the supervision of Harry Robertson. For the second straight year, the staff was headed by co-editors, rather than the single editor-in-chief traditional of early Titan history. The top staff positions were filled by Carrie Telesio and Marie Zozoya. Michele Wilson, Managing Editor; and Virginia Coria and Sue Walker, Associate Editors assisted Carrie and Marie in directing the large newspaper staff. Debbie Perez and Susan Murphy, Editorial Editors; Richard Malcolm and Carrie Telesio, Feature Editors; and Ruben Elizalde and Sue Walker, Sports Editors supervised the various departments.

The staff met daily during first period in M 103 to gather campus news and write articles. The weekly paper kept Titans and members of the community well informed about campus events.

# Members of Concert and Cadet Bands

The Concert and Cadet Bands comprise the major part of the instrumental music program at Pioneer. The Concert Band is composed of the more experienced musicians. The band performed at Pioneer, and also entertained the community at concerts throughout the school year.

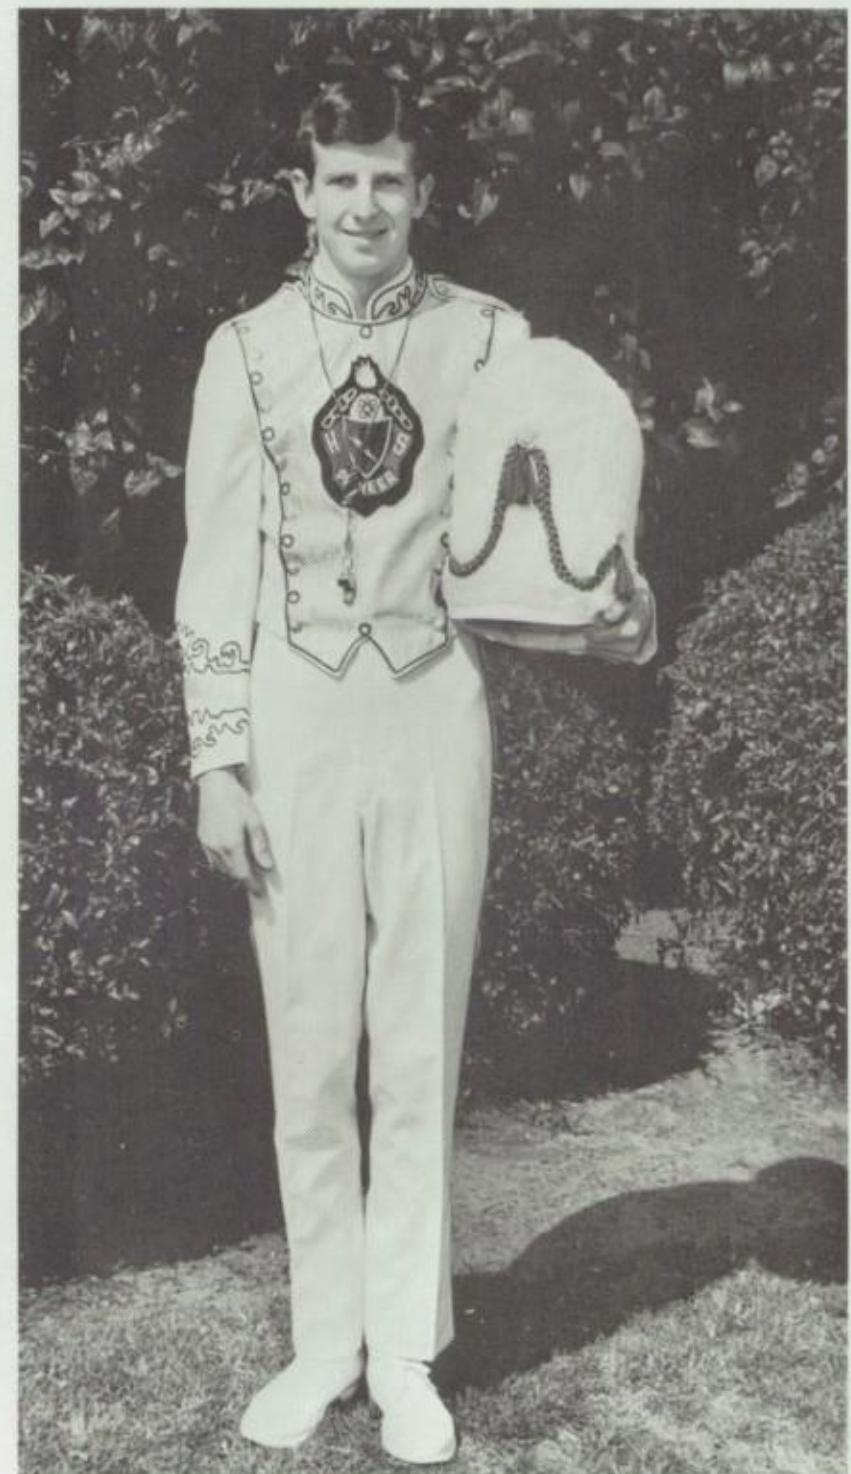

Both bands participated in the Rio Hondo District Music Festival. They each received a rating of "excellent" at the event.

The most skilled members of the band were part of the Whittier Union High School District Honor Band, a group composed of the best high school musicians in the area. The Honor Band presented their annual concert in the spring.

The Concert and Cadet Bands were both under the direction of John Dorch.

# Publicity Club Paints, Prints, Promotes

The Publicity Club kept Titans informed about all activities which took place during the school year. They painted signs and banners advertising dances, games, and other campus events. Under the direction of Publicity Chairman Nancy Urtusuastegui, the club also

painted pep signs and banners which decorated the stadium during the football season and the gym during basketball season. The group also worked with the art department to make posters, and with the print shop to make handbills, promoting campus activities.

## Straw-hatted Pep Band Bolsters Titan Spirit

Headed by Danny Smith, the students in the Pep Band were important contributors to spirit at Pioneer. Wearing green-and-white striped shirts and white hats, they provided lively music at basketball games, pep rallies, and pep assemblies. They also played at the powder puff football game.

The band featured four trumpets: Danny Smith, Ken Hardin, Mel Rodriguez, and Jim Percy.

The songs played by the group included: "Hawaii Five-O", "Mercy, Mercy, Mercy", "Batman", "Cherish", and "Georgie Girl".

# Pep Club's Purpose: Growth of Spirit

The purpose of the Pep Club is to spread spirit and pep throughout the Pioneer campus. Led by Pep Chairman Debbie Garcia, the club planned numerous activities to promote spirit. They worked with the Publicity Club painting signs advertising games and activities. They composed the heart of the student

cheering section at football games, and were also enthusiastic supporters of the basketball team. Another project undertaken by the club was selling pep items, which included pompons, pennants, and "Go" buttons. Advisors for the club were Mrs. Pam Hardy and Miss Claudia Surber.

# Vocal Groups Fill the Air Musically

The Titan Tones, Choir, and Girls' Glee make up the vocal music program at Pioneer.

The Titan Tones is a group composed of the best singers on campus. Tryouts for the group were held late in the 1968-69 school year. The group practiced daily during second period for the many concerts they presented at the school and in the community.

The Titan Tones and the choir often performed

together. They presented a Christmas assembly for the student body. The Tones also appeared at the junior high schools in the area and at the Senior Mothers' Tea.

The choir met daily during fifth period, and the Girls' Glee practiced during third period. All three groups were under the direction of Ken Orr.

## Athletes in Varsity Club Labor for Bob Thome Fund, School

The Varsity Club is dedicated to the promotion of athletic activities on the Pioneer campus. It is a group composed of those Titan athletes who earned one or more Varsity letter.

The group carried on its traditional activities, which included: planning sport events, selling refreshments at basketball games, and planning the Varsity Club banquet which took place at the end of the school year. In addition to working on those projects, the club was the major campus organizer of the Bob Thome Benefit Fund. They worked with the West Whittier Lions Club and the other organizations on campus in the drive to raise money for the injured athlete.

## Lettermen's Club Gives Honor to Performers on Titan Athletic Teams

The Lettermen's Club was one of the new organizations on the Pihi campus this year. The group is composed of athletes who have lettered in JV, Bee, Cee, or Dee competition. It was organized by Steve Powell and Maury Cauchon, who served as advisors for the club.

The Lettermen's Club worked closely with the Varsity Club on

many activities. These included the Rams-Faculty Basketball Game and the Bob Thome Benefit Fund. They also promoted sportsmanship in athletic competition, as did the Varsity Club.

The club was led by President Denis Kitayama and by Vice President Gilbert Rodriguez.

# Thespians, Speech Squad, N.F.L. Serve Tongues, Vocal Chords

The Thespian Society, speech squad, and National Foresnic League give Titan actors and orators the opportunity to display and perfect their talents.

The Thespian Society is an honorary nationwide drama organization. To be eligible for the group, a student must earn ten points by participating in the production of a play.

This year's speech squad featured a very good debating squad. The teams of Larry Cohen and

John Pauscher, and Caroline Rivera and Connie Rivera, won the San Gabriel Valley Debate League championship. The frosh squad was also very strong. It included: Merrie Turner, Roberta Wiebe, Connie Rivera, and Debbie Perez.

NFL is the honorary nationwide organization for speakers. Membership is obtained by earning points in speech competition.

# International Club Works to Perpetuate AFS Program

The International Club is a service club whose main objectives are to promote international cooperation and to raise funds for the American Field Service program. The AFS provides the opportunity for a foreign exchange student to attend Pioneer, and for a Pioneer student to spend the summer or school year in a foreign

country.

Led by President Mark Busse, the International Club raised money for the AFS by sponsoring activities such as the pancake breakfast, the Harlem Clowns Game, a booth at the carnival, an annual swap meet or rummage sale, and International Day.

## French Club Eats and Speaks Things Definitely French

The French Club met every Wednesday in BC 210. Their lunchtime meetings gave the members an opportunity to practice speaking the French language more extensively than in regular classes. The members also learned about France from their advisor, Miss Anna Deligianni, who related her experiences in Europe to the group.

The French Club took a field trip to a French restaurant in Los Angeles during the second semester. The outing has become a traditional activity for the French Club and the International Club.

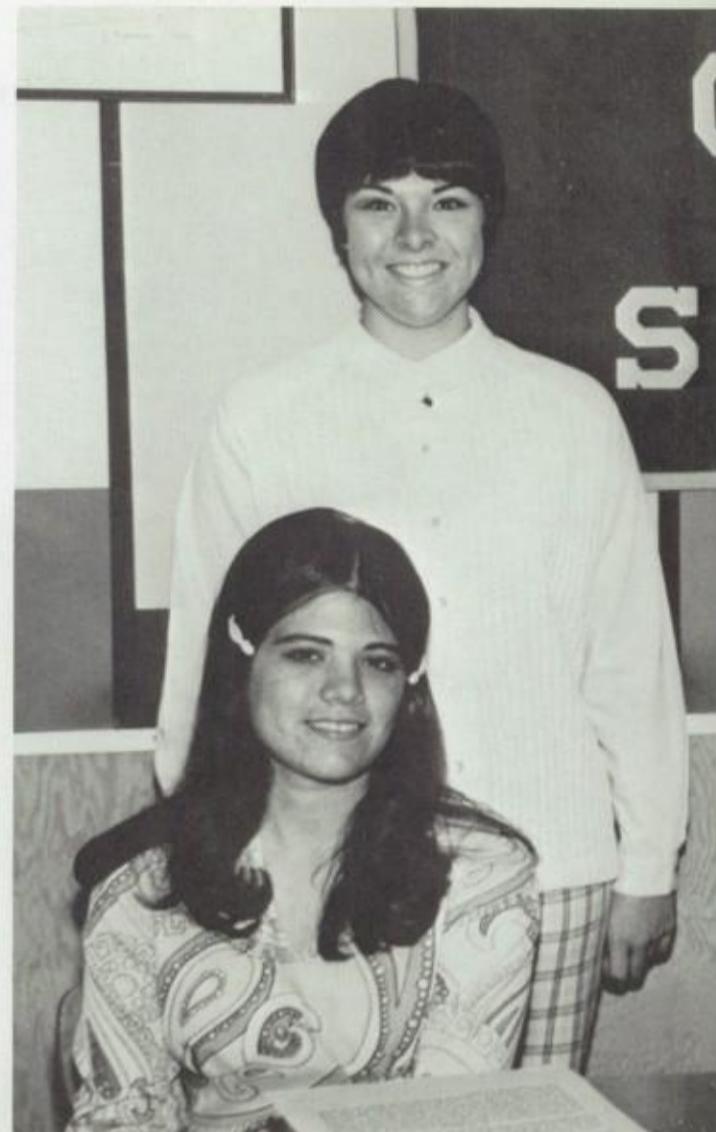

In the pictures above, the International Club members and adults from the AFS group sell refreshments at the Harlem Clowns basketball game.

# Sophomore Honor Group Spends Rather Inactive and Uneventful Year

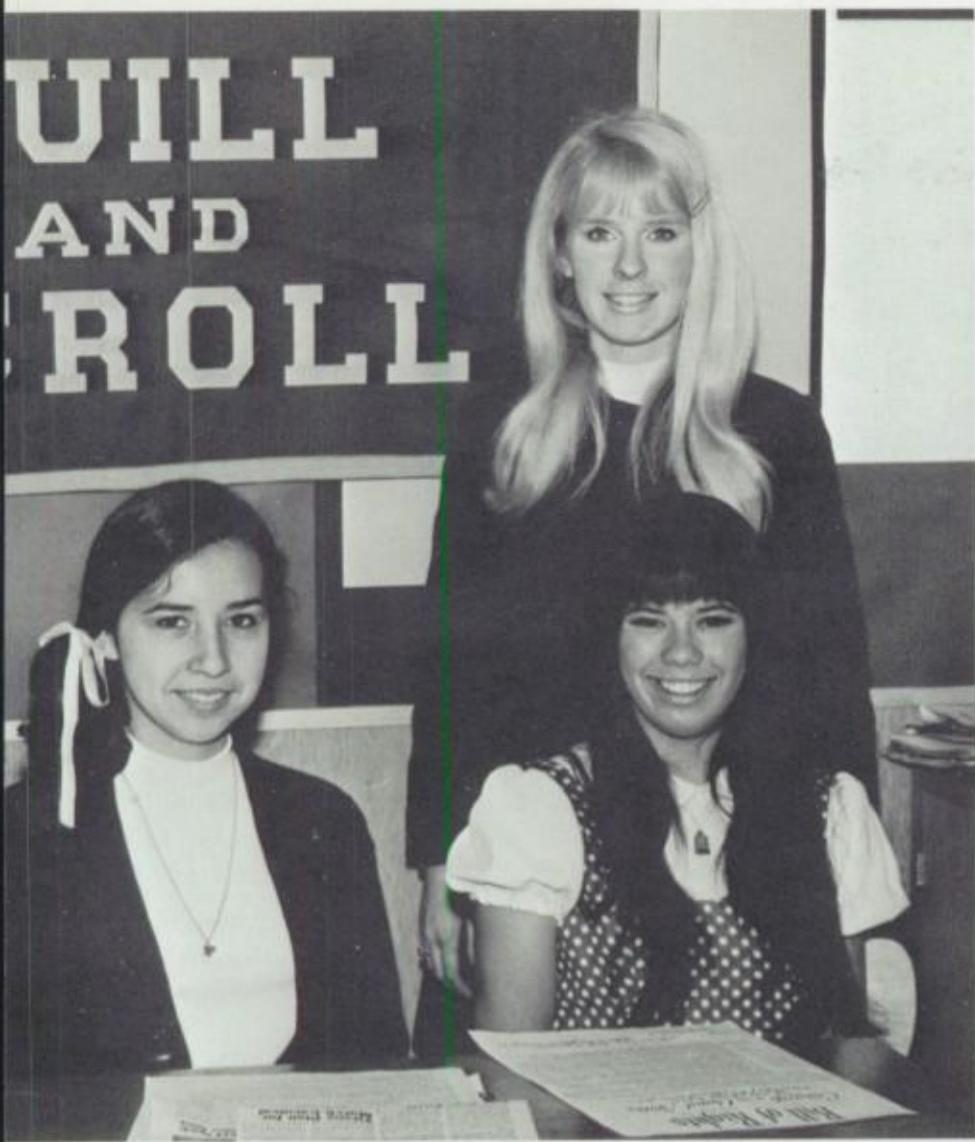

The Sophomore Honor Society is a service organization who members are selected by the faculty. The members of the group were nominated at the end of the 1968-69 school year by the freshman social studies and English teachers. The group traditionally has stood guard at the doors of the boys' gym during assemblies. However, this year's group, who put in a rather inactive year, did not elect to carry on the tradition.

Sophomore Honor Society, First Row: Linda Romero, Terri Negosian, Janine Totta, Kerry Murphy, Kim McKenzie. Second Row: Shannon McDermott, Pam Carlson, Vivian Beer, Laura Sunderlin. Third Row: Julie Williams, Susan Alvarez, Joy Alesi, Lynell Bliss, Eugene Telesio.

Quill and Scroll members, seated: Carrie Telesio, Linda Orozco, Michelle Wilson.  
Standing: Sue Walker, Rhonda Westby.

## Quill and Scroll Society Welcomes Five Journalists

Quill and Scroll is an honorary journalism society. Students who are juniors or seniors and who have been on the school yearbook or newspaper staff for at least one year are eligible for membership. The group is a nationwide organization with chapters on high school campuses throughout the country.

Mr. Harry Robertson was the advisor for Quill and Scroll.

## Creative Writing Club Is Channel for Young Writers

Reflections of the Creative Writing Club are produced yearly through the efforts of students whose talent flows from pen or pencil. "Reflections" is a booklet published each spring which contains the stories and poems written by members.

At weekly meetings, the club gave students the opportunity to practice their writing skills, and to learn through discussion with their fellow authors.

Under the direction of Advisor Mrs. Eve Kleger and President Mary Rowan, the club planned many activities during the year. They attended films and plays in order to create ideas for compositions.

Art Club, First Row: Rachel Herrera, Socorro Hernandez, Debbie Van Alstyne, Janine Totta, Roger Tilton. Second Row: Miss Signe Jameson, Claudia Sutton, Lynell Bliss, Shannon McDermott, Robert Kendall, Wayne Walker.

# Photo, Art, and Industrial Arts Clubs Allow Titans to Extend Their Talents and Interests to the Fullest

Many students find they have a special interest in one of their classes which they would like to explore further. For this purpose, there are several special-interest clubs which are extensions of the classroom. These include the Photo Club, the Art Club, and the Industrial Arts Club.

The Photo Club was one of the most active organizations on campus this year. Led by Club President Jackie Young, the Photo Club met weekly under the supervision of Advisor James Rafferty to plan entertaining and fund-raising activities. These

activities included a field trip to the beach and sponsoring a booth in the carnival. The money raised by the club was used to buy new photography equipment for the school. Another project sponsored by the Photo Club was the monthly photo contest.

The Art Club's major project for the year was their annual Christmas Sale. Under the leadership of President Claudia Sutton, the members worked after school making the objects which were sold to students and faculty members at modest prices.

Photo Club, seated: Rhean Beckley, Linda Popoff, Debbie Gebhart, Norie Candelaria, Paula Patrick, Marguerite Etemad. Second Row: Carol Ley, Taffy Tewes, Nancy Heck, Irma Rangel, Cynthia Encinas, Debbie Nowell, Irene Pena, Chris Reyes, Dennis Arroyo, Debbie Buscemi, Steve Guerrero. # Expanded Horizons: Alive and Active

The Expanded Horizons Club, by far the largest organization on campus, put in another active year.

The activities for the group, which were planned under the direction of Al Ramos, began during the summer. These activities were designed to be of benefit both culturally and educationally. They included trips to Corona del Mar, the General Motors Plant, the Los Angeles Times, and Lawry's Foods in June. Among the trips taken during July were excursions to: Dodger Stadium, Cabrillo Beach, Ports of Call, Busch Gardens, and the San Diego Zoo. Students who had attended summer school went on a week-long trip to Yosemite in August.

In September, the Expanded Horizons members went to the Los Angeles County Fair and the East Los Angeles Mexican Independence Day Parade. Other trips were to the Great Western Livestock Show and to Wrightwood.

Expanded Horizons also helped senior members with college admissions and scholarships.

# Epic Club Exists One Semester Only

Pioneer's Epic Club dissolved after the first semester, having accomplished very little during that time. The group considered publishing a newspaper which would discuss areas they considered important to Pioneer's student body. They were also concerned with the apparent lack of interest in local and world affairs which they felt exists in the community. For lack of interest on the part of the members, the group disbanded in January, just after their photo was taken for the yearbook.

## Much Backpacking, Climbing Done by Busy Hiking Club

The Hiking Club put in a very active year. President Ken Hardin, Vice President Scott Payton, and Secretary Dan Smith worked with Advisor Jim Johnson to plan many interesting weekend hikes. They included trips to Chantry Flats, Hogee's Camp, Ice House Canyon, and Switzer's Camp. The group backpacked to San Jacinto and San Gorgonio.

## Chessmen Do Well in League Matches; Claim Third Place

Pioneer's chess team narrowly missed claiming the league championship. Steve Svensson finished the season undefeated, winning all of his games by checkmate. The five-man team of Steve Svensson, Doug White, Wade Gaskell, Wilfred Robles, and Richard Frasier finished third in their seven-school division.

Chess Club, Left Side, Top to Bottom: Bill Parks, Richard Frasier, Doug, White, Bob Baker. Right Side: Wade Gaskell, Sam Gaskell, Tim Harrell, Chuck Fox. In Front: Steve Svensson.

# Future Nurses Dedicated to Service to the Community, Possible Careers

The Future Nurses Club met every Wednesday at noon. At the meetings, which were held in the Health Office, the members engaged in discussions about the medical profession. The group's advisor, Mrs. Doris Dean, gave the members information about some of the things they would encounter in a nursing career.

The group also learned about the nursing profession by visiting hospitals and nursing homes in the area.

One of the projects planned by President Jeri Gallegos and the members was the sponsoring of a booth in the carnival.

Future Nurses Club, First Row: Kathleen Calhoun, Margarita Martinez, Suzanne Perez, Socorro Hernandez, Lynn Cryer, Jeri Gallegos, Maureen Millard, Hilda Polendo, Jacalyn Croft. Second Row: Advisor Mrs. Doris Dean, Mary Quinn,

# EWEE Program Explores Working World

The Exploratory Work Experience Program is carried out under the guidance of Vocational Counselor Dave Van Pelt. Known more commonly as "E.W.E.E.", the program enables students to investigate many different occupations.

Through the program, a student was able to observe

and help a Whittier area businessman or worker engaged in his chosen field. This one-to-six-week training and observing period was a great advantage to students who were unsure about a possible career, as it gave them an opportunity to see first-hand what the job entails.

EWEE participants, First Row: Michele Cicero, Joan Phillips, Margaret Juarez, Cindy Petres, Luci Aguilar, Lydia Montenegro. Second Row: Martha McCollum, Rhonda Johnson, Cindy Tewes, Barbara Gregory, Krys Bel, Phyllis Erb, Lenora

Young. Third Row: Jack Stoughton, Bill Steimer, Don Hatch, Dan Harral, Lydia Lopez.

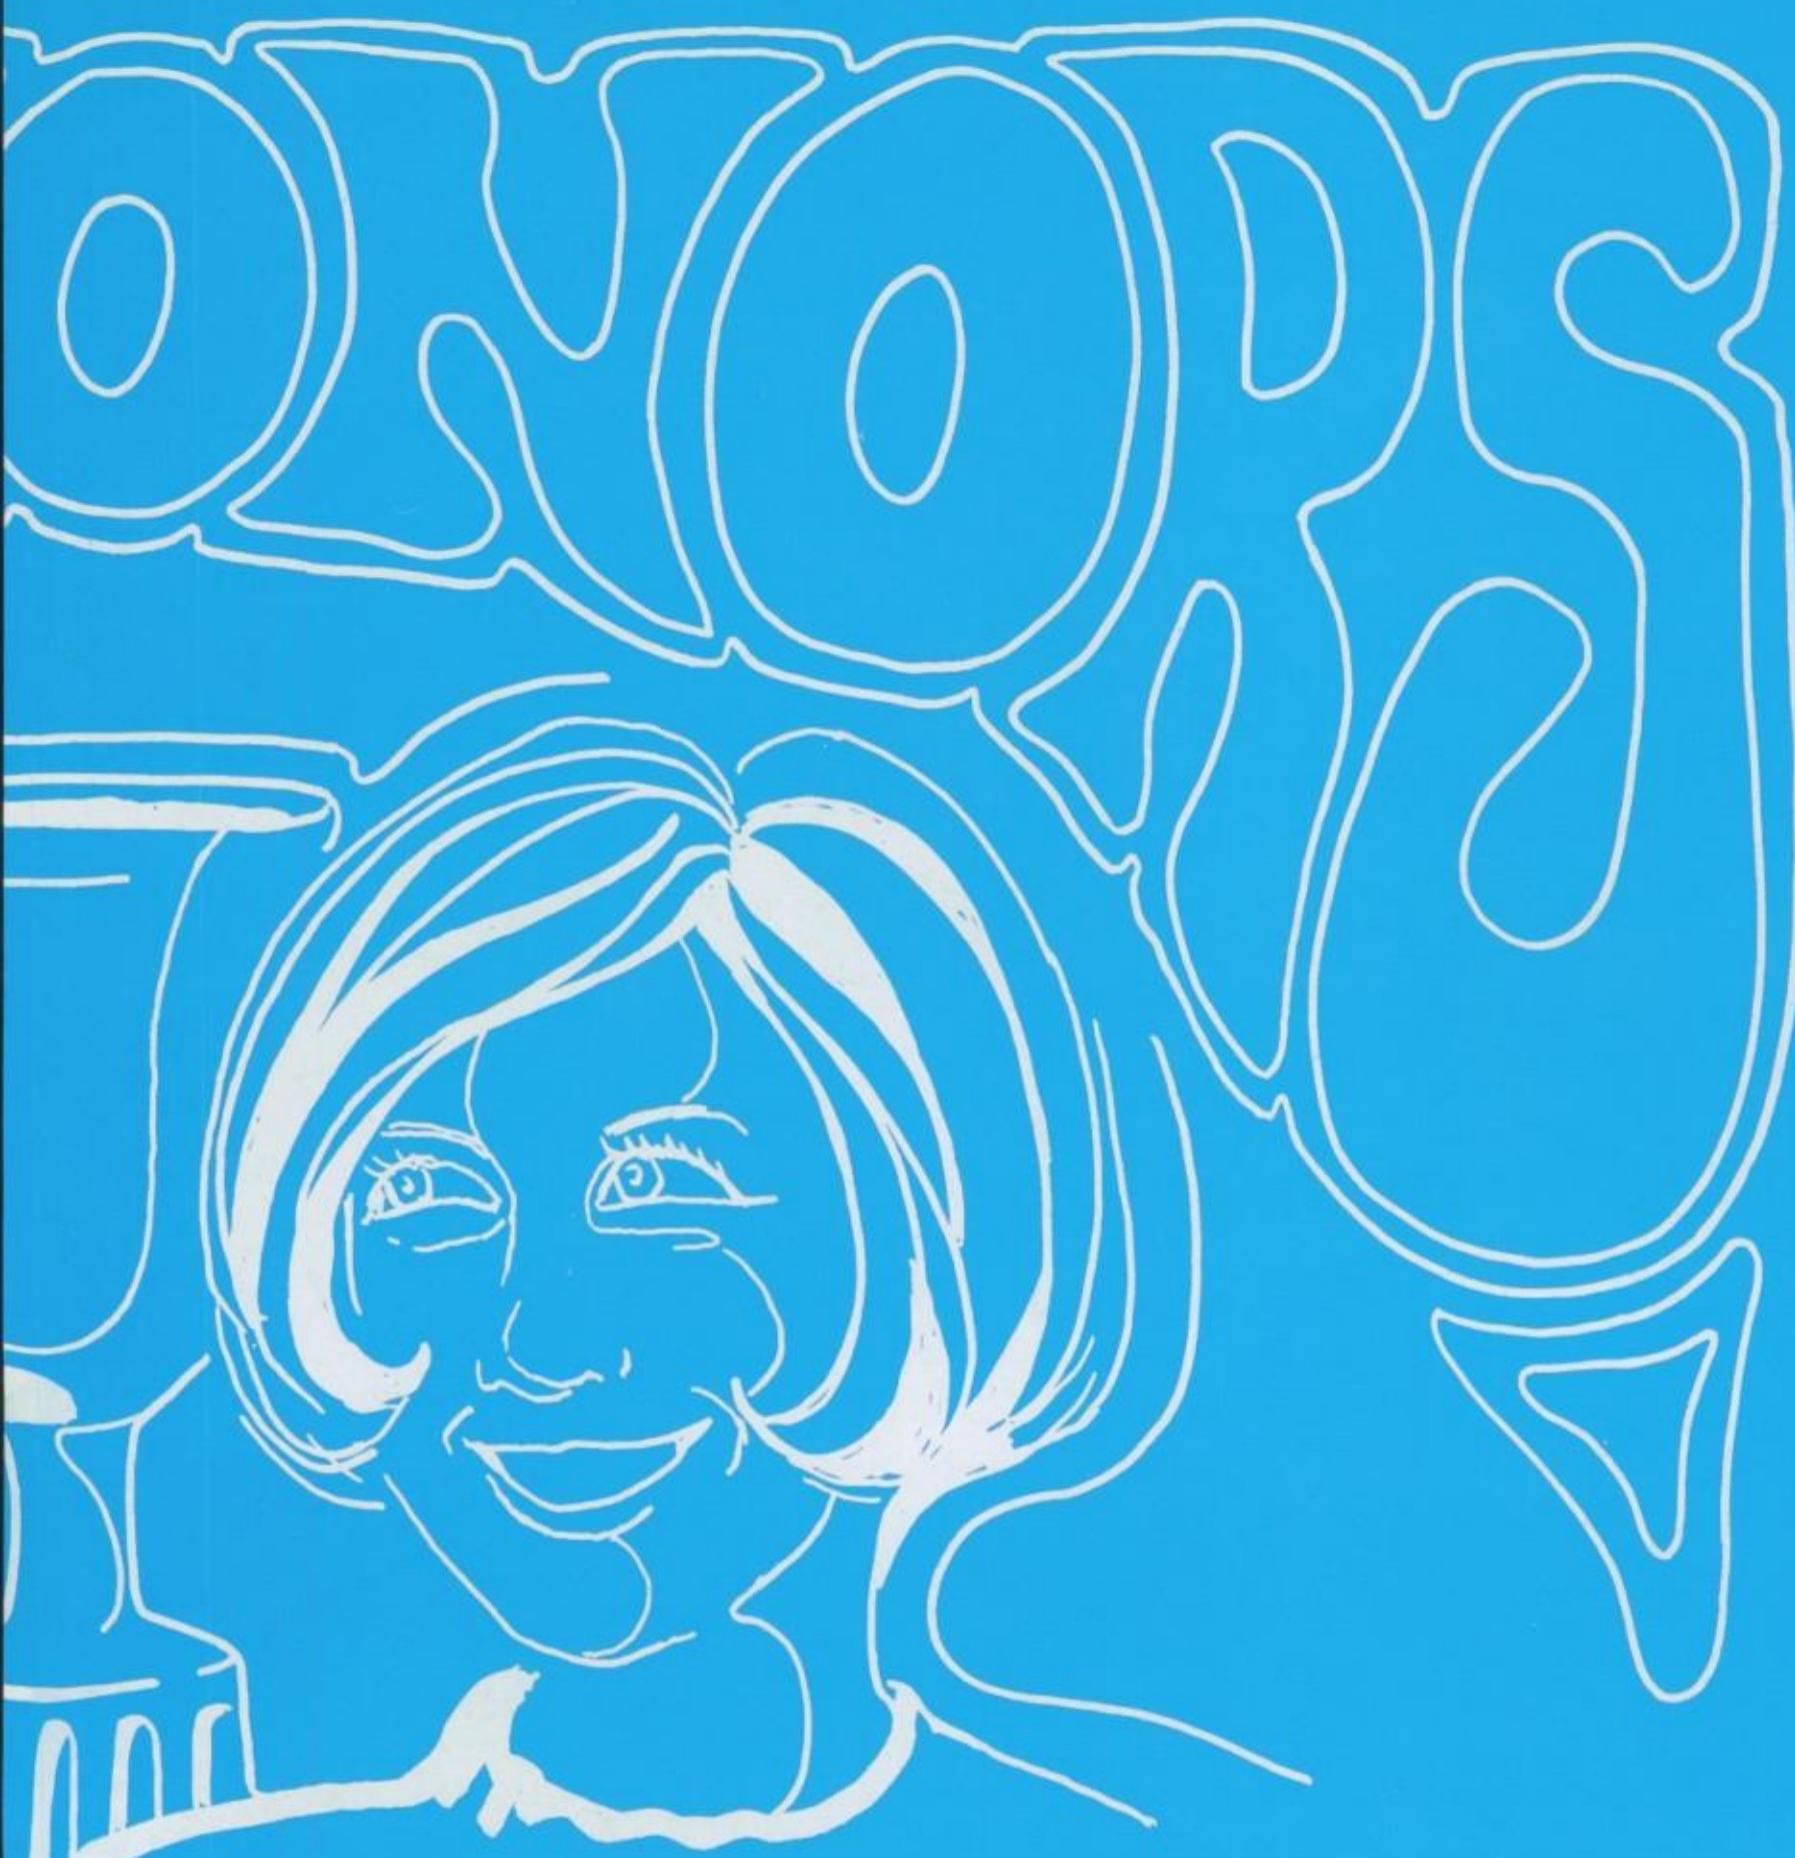

## Auto Club Puts Learning to Practice

The Auto Club's membership was primarily made up of students enrolled in an auto shop class at Pioneer. At club meetings, members were able to add to the experience gained in the classroom.

Under the direction of Advisor Charles Black, the

group's members helped each other to repair their own cars. One of the activities in which the Auto Club participated was the Associated Student Body Carnival, at which they sponsored a booth.

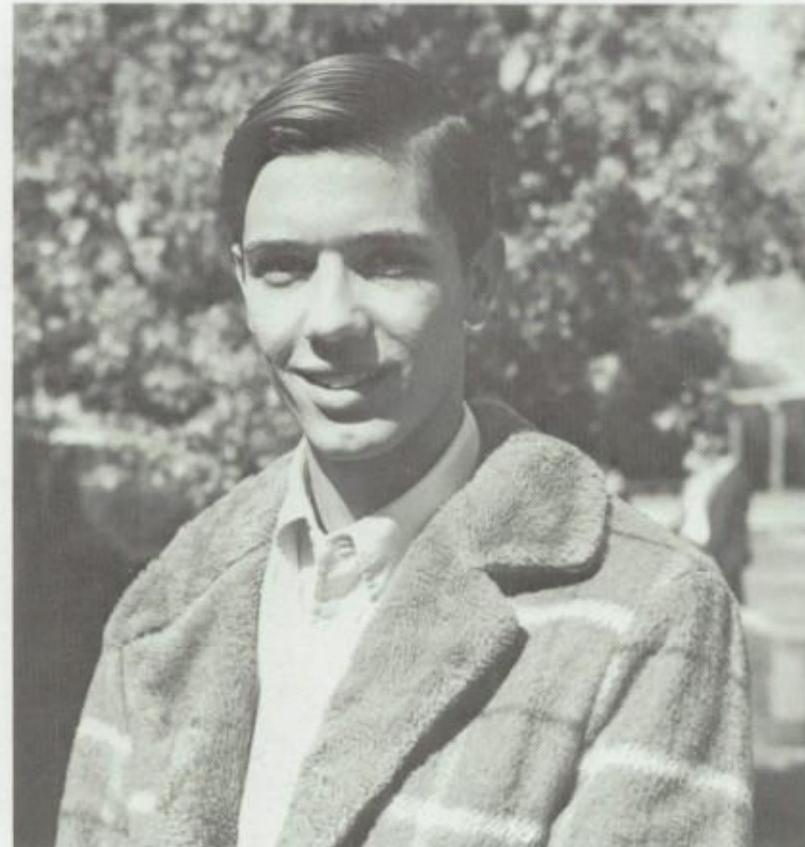

# Twelve Seniors Are CSF Life Members

Life Membership in the California Scholarship Federation is the product of four years of hard work and high scholastic achievement. This year, twelve members of the senior class qualified for Life Membership at the end of the seventh semester.

In order to receive Life Membership, a student must be a member of the C.S.F. for four of the six semesters

in his last three years of high school. One of the four semesters must be during the senior year.

The Life Members are recognized at graduation, receive the C.S.F. Life Member Gold Seal on their diplomas. They are also honored at the annual C.S.F. awards dessert.

# Louise Usselman Is Named Finalist in Natl. Merit Exam

This year, Louise Usselman earned Finalist standing in the National Merit Scholarship program. The National Merit Scholarship Qualifying Test is a nationwide test administered to high school juniors each February. Scholarship semi-finalists and finalists are selected on the basis of the score received on the test. They are then eligible to receive one of the many college scholarships given by the National Merit Scholarship corporation. The students who qualify as Finalists represent approximately one-half of one percent of all graduating seniors in the country.

# Suzi Bigham, Linda Percy DAR Winners

Suzi Bigham, DAR Citizenship Award Winner

Linda Percy, DAR Silver Spoon  
Award Winner (at right)

The Daughters of the American Revolution citizenship award is presented each year to a senior girl who is outstanding in the areas of citizenship, leadership, and community service. Girls are nominated by a vote of all the senior girls, and the names of the three girls receiving the highest number votes are given to the Guidance Office. The counseling staff then selects the award winner from among these girls. This year's DAR award winner was Suzi Bigham.

Each chapter of the Daughters of the American Revolution also presents a Silver Spoon Award to a girl who is outstanding in the field of home economics. The award was won this year by Linda Percy, who is also a Pioneer senior.

# Deserving Seniors Earn B of A Awards

Nancy Heck, Liberal Arts

The Bank of American Awards are presented to graduating seniors who have shown ability and achievement in particular subject area. Four general subject area awards are given: Math and Science, Liberal Arts, Fine Arts, and Vocational Arts. The four winners in these areas are eligible for scholarship competition with other school winners from the Whittier area and throughout Southern California. All Southern California winners are also honored at a dinner held early in May, and are presented with trophies.

The Bank of America also awards eleven specific subject area awards. The winners are given plaques in recognition of their achievements.

Bank of America winners are nominated by the faculty and selected by the Guidance Office staff.

Louise Usselman, Math and Science

Mindy Dixon, Fine Arts

Debbie Trotter, Vocational Arts

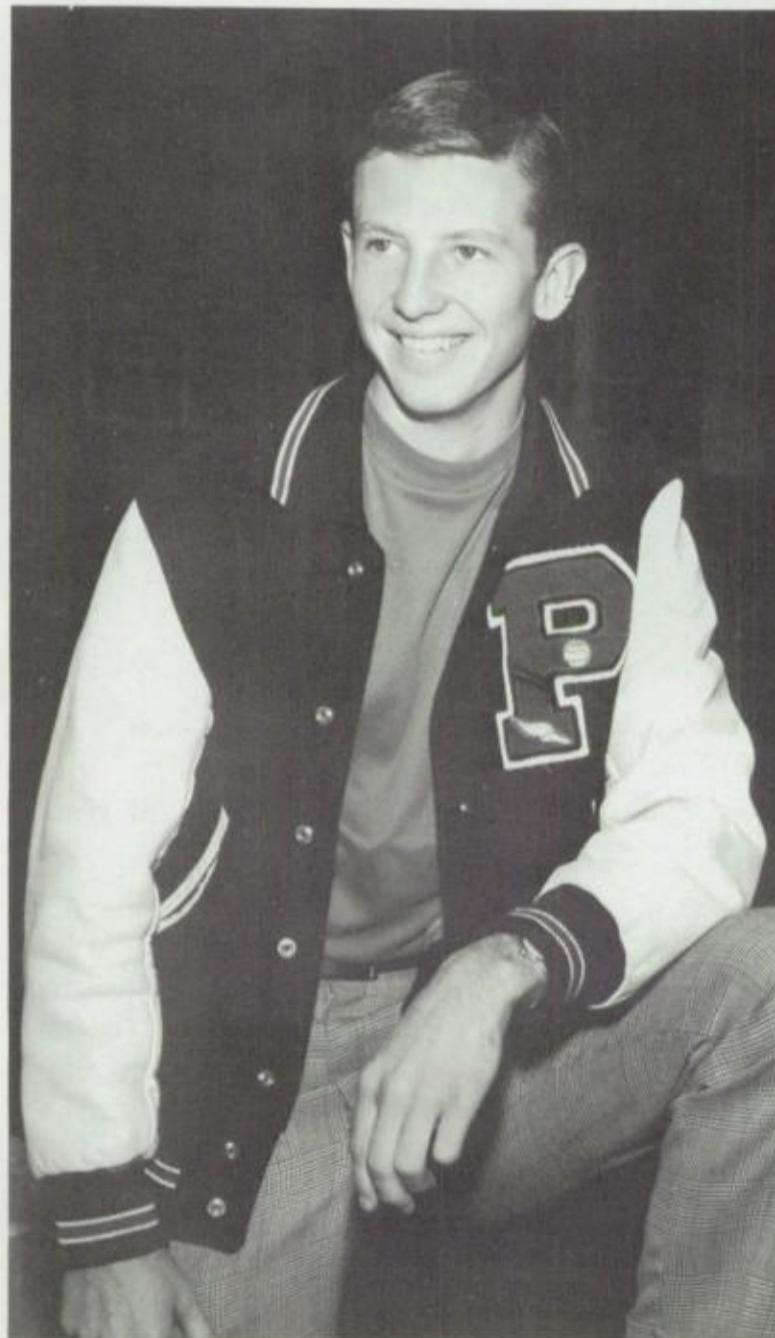

Bank of America specific field award winners: Alan Mikesell, Industrial Arts; Alex Terrazas, Lab Science; Don Shirey, Mathematics; Grace Montana, Business; Lydia Montenegro, Home Economics; Debbie Clevenger, English; Taffy Tewes, Drama; Earl Crawford, Music; Herb Ortiz, Foreign Language; Larry Cohen, Social Science.

# Duo Participate in Model Government

Earl Crawford and Suzi Bigham were Pioneer's Boys' and Girls' State Representatives. Held during the last week of June, 1969, the conventions gave high school seniors from throughout the state the opportunity to experience government in action. 600 students attended each of the programs, which were held in Sacramento.

Mock cities and counties are set up at the programs, and the student citizens elect city, county, and state officials. The purpose of the programs is to help students become more aware of the structure of the state government of California through firsthand experience with the political system.

# Titan CSF Chapter Honors Students

The California Scholarship Federation is a statewide scholastic organization with chapters at each of the high school campuses in California. Its purpose is to honor high scholastic achievement, to encourage students to achieve, and to help prospective college students with college entrance and financial aid.

In order to qualify for CSF, a student must earn three A's and one B at the semester. In order to maintain membership in the organization, he must meet the standards again each semester.

This year, the CSF worked on a scholarship program and sponsored a booth in the carnival.

## Pioneer Represented in AFS Program

Pioneer's participation in the American Field Service program makes it possible to bring a foreign exchange student to the school each year. This year, Irene Andersen from Denmark attended Pioneer. While in the United States she made her home with the Bigham and Busse families.

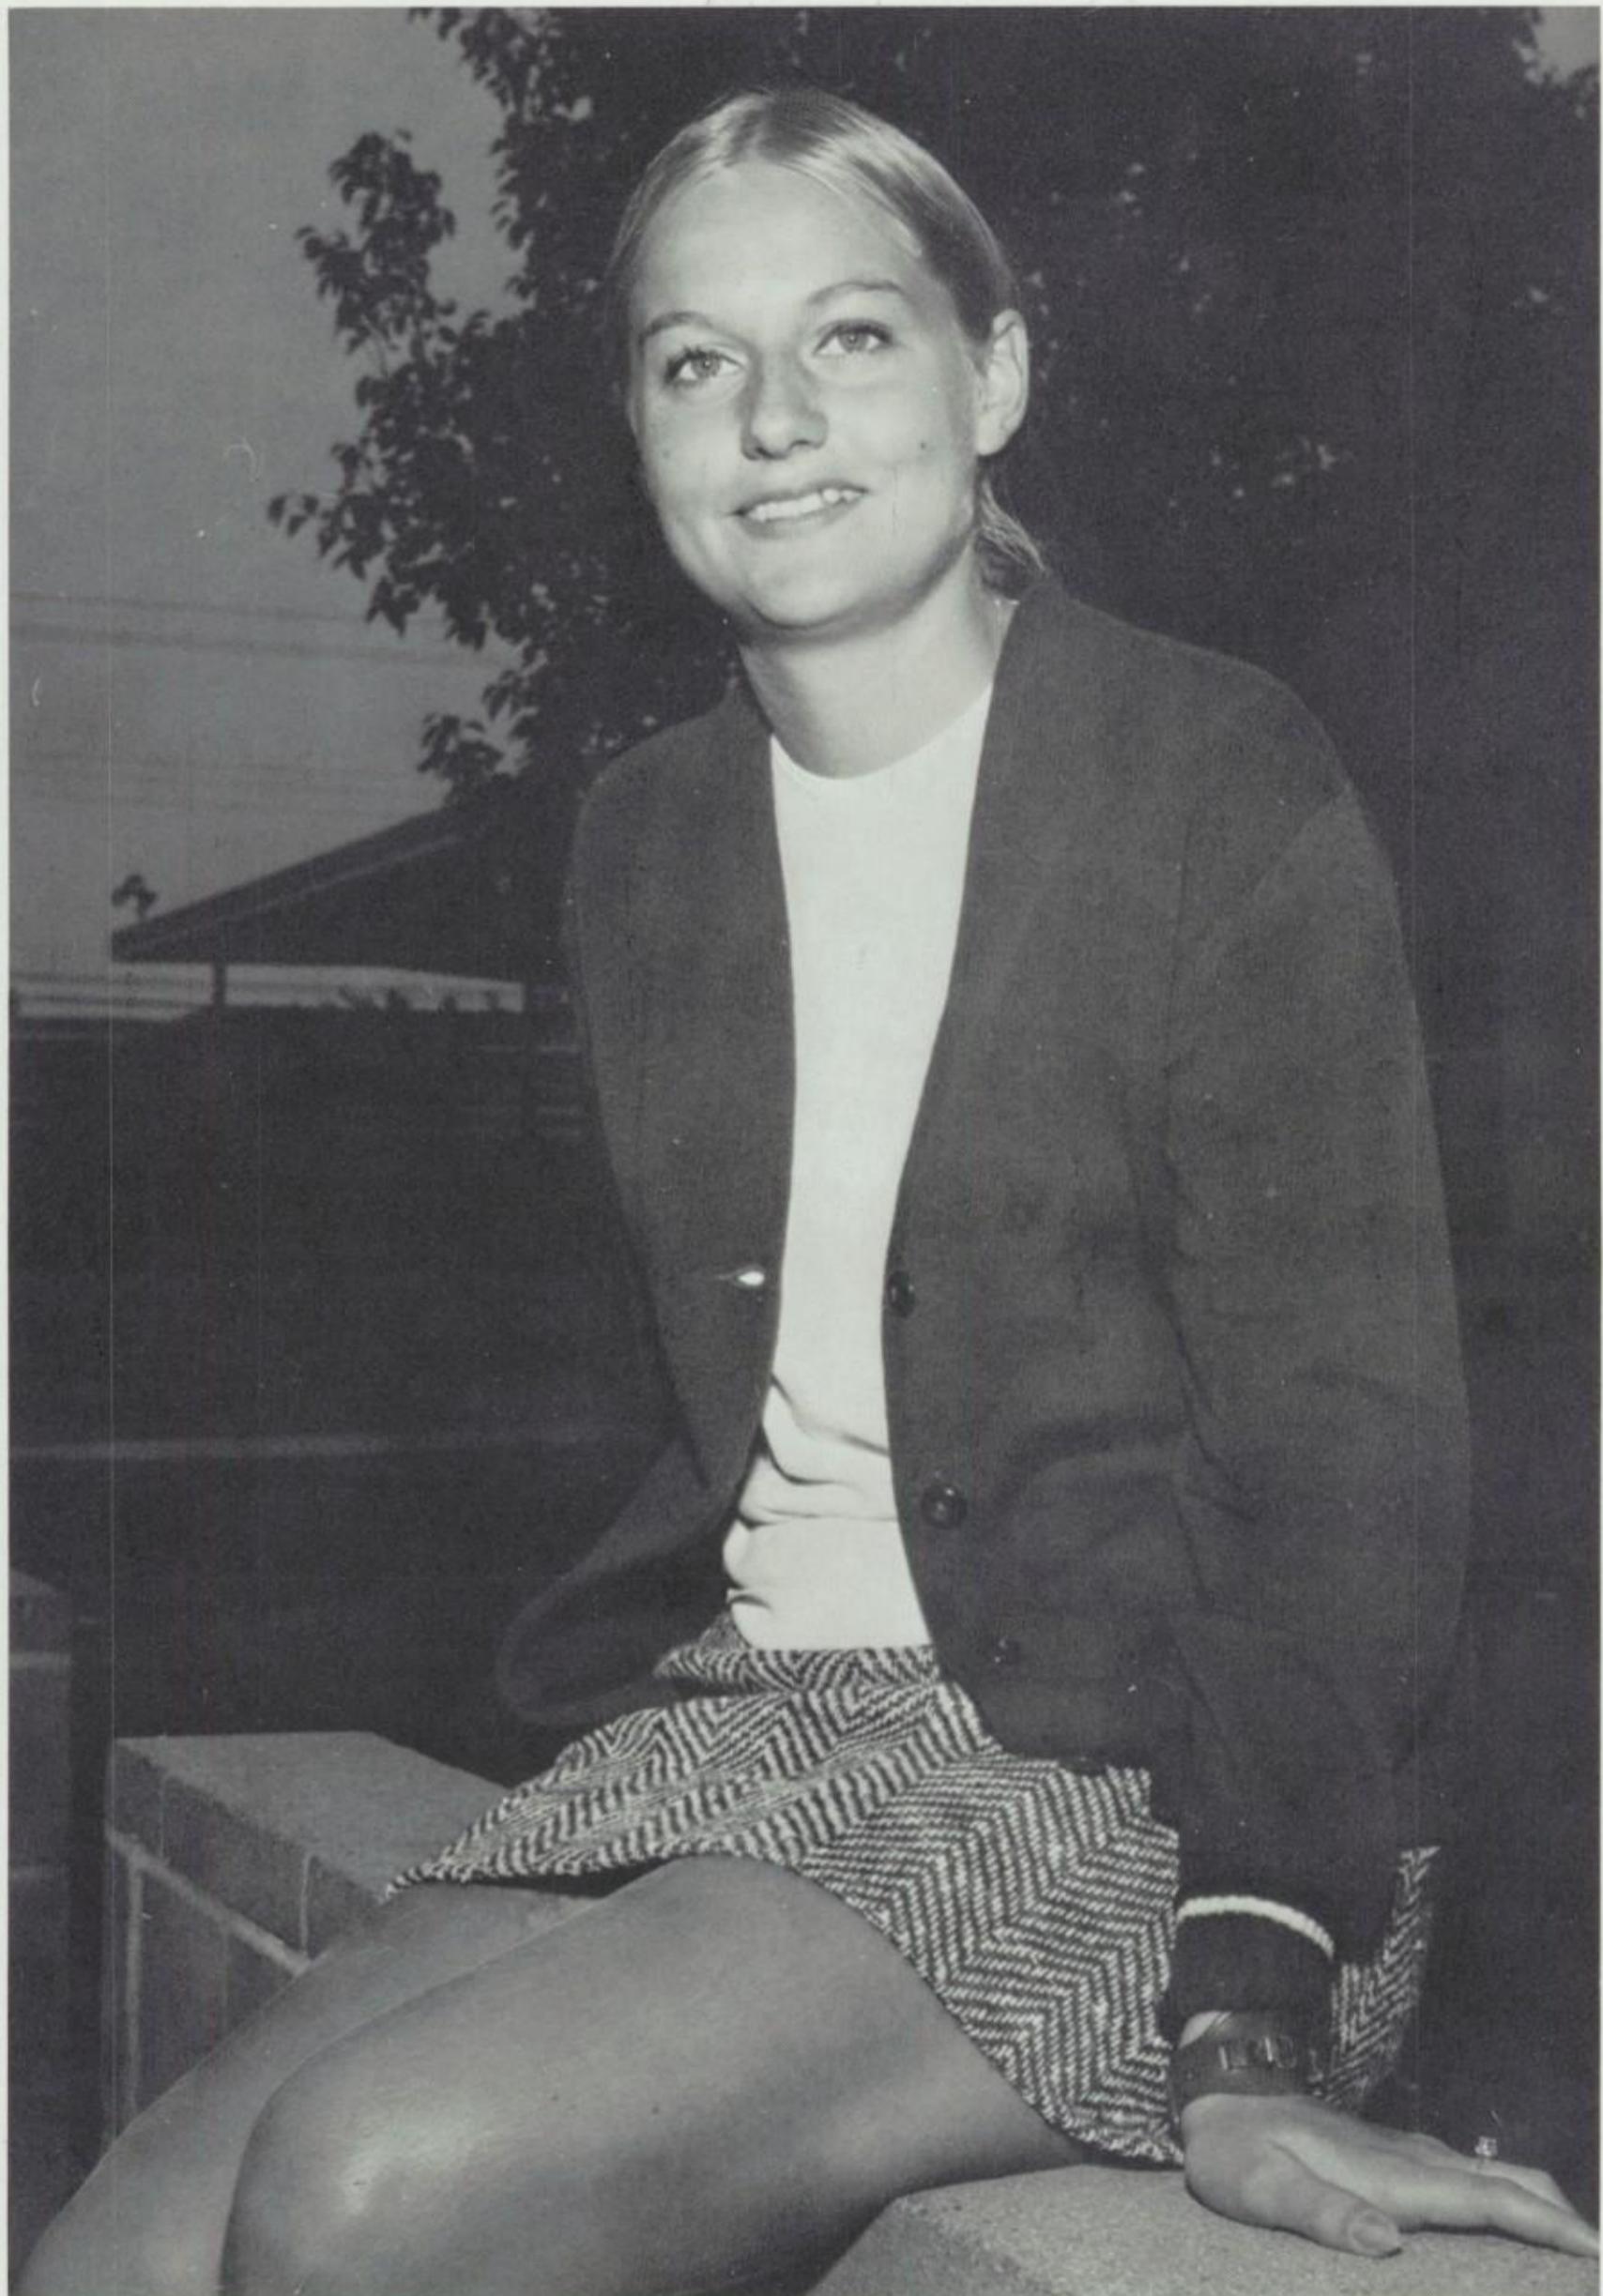

Irene participated in many activities at the school. She was a member of the Associated Student Body Cabinet and of the Titanette Drill Team. She also participated in all activities of the International Club and made numerous speaking appearances at Pioneer and throughout the community.

Gary Butts, a Pioneer senior, was an AFS representative during the summer of 1969. He lived with a German family for two months.

The American Field Service is a national organization with adult chapters at many high schools in the United States. The adult organization at Pioneer works with the students' International Club to plan fund-raising events which finance the program. The two groups also plan social activities.

# Senior Officers, Council Keep Busy

Planning traditional senior activities and deciding on the senior class gift occupied the senior class officers and council.

The first semester activities planned by the Class of 1970 were designed to raise money for the various senior activities held during the second semester. These money-raising projects included a swap meet, selling senior keys, and sponsoring a booth in the carnival.

The Senior Mothers' Tea, Senior Breakfast, and Senior Picnic were the traditional year-end activities organized by the officers and council members. Much time was also devoted to choosing a gift to be given to Pioneer by the senior class. The gift, first to be given to the school in the past three years, was the result of four years of careful budgeting.

# New Coach Fails to Revive Varsity

Preseason Promise Turns . . .

to Midseason Futility.

Titan fans suffered another frustrating football season in 1969, as the Varsity managed but two wins in a nine-game schedule. Untimely fumbles, inconsistent pass defense, some questionable play-calling, and an over-all lack of size and quickness combined to produce the losing record.

The high point of the season proved to be the opening game against Calhi. In their first game under Coach Bob Spindola, the Varsity overcame a 0-6 half-time deficit to beat the Condors, 13-6.

The team went on to compile a 2-2 preseason record. Santa Fe dealt the Titans their first loss of the season. They came back the following week to edge Norwalk, 7-6, the last victory the Titans would enjoy in 1969. Missing several early chances to score, the team next fell to La Mirada in the last preseason game.

Whittier provided the opposition in the league opener. Before a sell-out Homecoming crowd, the Cardinals made the most of early Titan errors, then held off a strong Titan finish to win, 35-16.

New Head Coach Bob Spindola spent an uncomfortable season watching his team sputter through the remaining four games of the Whitmont League schedule.

# Unbeaten Bees Take Whitmont Title with Balanced Attack

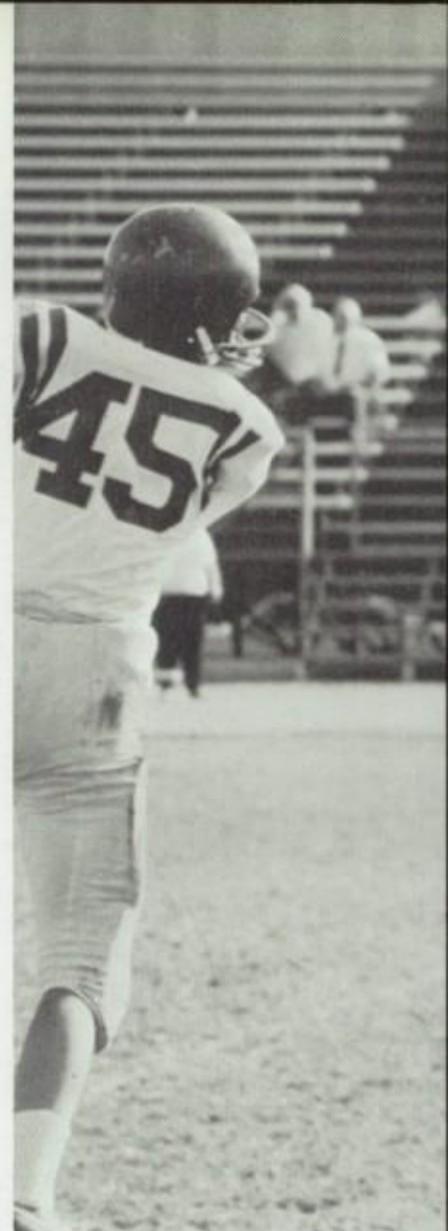

1969 was an outstanding season for the Bee football team. Head Coach Howard Pollock and his assistants, Dick Preston and Maury Cauchon, moulded one of the best-balanced Bee teams in Pioneer history. While enjoying an undefeated season, the offense ran up 208 points in nine games, while the defense yielded a stingy 38 points.

Quarterback Jim Houtekamer, a good ballhandler and passer, did a standout job directing the Titan offense. Art Aranda, Jim Viramontes, and Dave Garcia were all reliable targets for Jim's passes. Guards Greg Branham, Mike Duran, and tackle Jim Dixon did an aggressive job of blocking and opening holes for halfback Ray Martinez. The offense really "put it all together" as the season progressed and

were really impressive against La Serna and Montebello.

And then there was the defense. Interior linemen Larry "Pig Pen" Kutlesa, Ross Wilson, Mike Thomas, and Bill Eliot, combined to make it tough running up the middle against the Titans. Middle linebacker Bob Duran, one of the Whitmont League's best, combined with sure-tackling Andy Galindo, Dennis Chavez, and Steve Ramos to stop opponents' ground and air attacks.

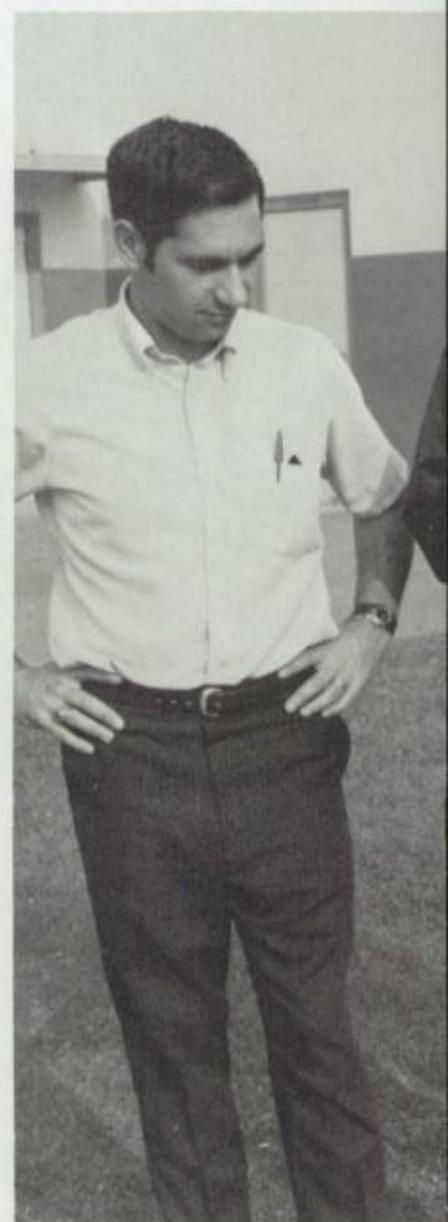

Defensive halfback "Rookie Ricky" Carrillo probably best exemplified the spirit of the 1969 Bees. An undefeated season is the goal of every team, and the Bees managed to attain it by playing hard-hitting, spirited football.

# Cees Finish 3rd in Whitmont Race

Featuring a strong defense, the Cees enjoyed another winning season, compiling a 4-4-1 mark. The Cees showed real hustle and desire, often being the last ones off the practice field. Head Coach Ruben Reyes and his assistants, Woody Odanaka and Jim O'Connor, formed their scrappy team into a band of eager "hitters."

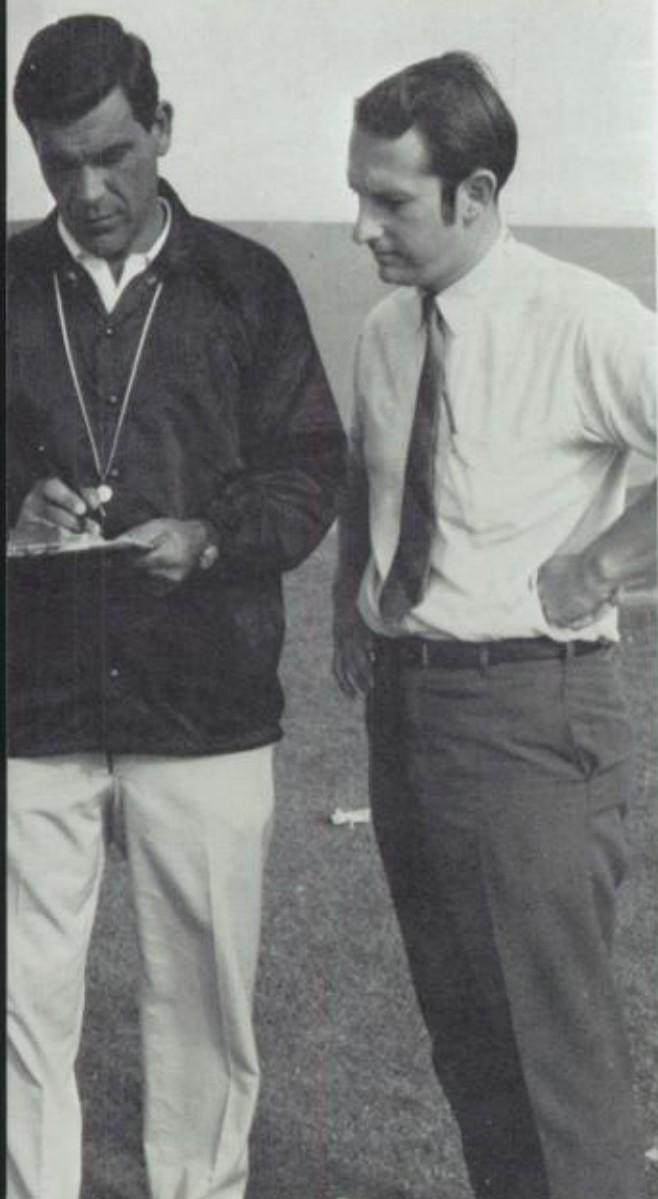

Quarterback Ricky Pena led the team in consistency and played well on offense and defense. Mike Gonzales was the team's strongest runner and hardest hitter, both as a running back and middle linebacker. Scatback Dave Jacobs, fastest man on the squad, was a real offensive threat around end.

Linebackers Mike Kirylo and Dan Arriola were both hard workers, as was Luis Salcido, the defensive safety. Ron Garcia, Art Escobedo, Dave Zepeda, Ruben Galindo, Mario Ontiveros, Tony Lopez, and Bob Villaloboz were two-way linemen for the third-place finishing Cees. The team ended the season with five shutouts in 9 games.

Cross country was again a sport that attracted few Titan participants or followers. The Varsity suffered another frustrating season without a victory, while the JV's enjoyed wins over Norwalk and La Serna. The Frosh-Soph team had the best record, running to four victories, two of them Whitmont League wins over Monte Vista and Montebello.

John Hernandez, who this year set a school record in the two-mile event, led the Varsity. He was joined by Monte Conley, Paul Alvarez, Joe Gomez, Mike Dong, Joe Corona, and Ricky Lopez. Joe Medina, Elias Lopez, Dan McCluskey, Rudy Lauterio, Mike Poteet, Charles Ruiz, and Ray Witmer comprised the twice-victorious JV team. The consistent Frosh-Soph runners included Wayne Walker, Dan Romero, Frank Ortiz, Dana Jewell, Wayne Gaither, and Rudy Macias.

# Water Polo Teams Earn Best Records

The 1969 water polo season was the finest in Pioneer history. The Varsity, Bees, and Cees all enjoyed their most successful seasons, the Bees and Cees both finishing with winning records. Much of the success was due to the instruction of new Head Coach Bill Brand and his assistant, Stu Kauffman.

The Varsity was especially strong in preseason competition, capturing the Consolation Round of the Monrovia Tourney. Two one-point losses to Nogales and Whittier kept the Varsity from enjoying a winning season. They posted an 8-9 mark for the season and were 2-4 in Whitmont League play.

Captain Joe Fodor was the team's Most Valuable Player and was awarded Honorable Mention on the All-Whitmont League Team. Steve Kilgore was also named to the All-Whitmont League Team, while Gary Breckenridge received league Honorable Mention.

Captain Mike Gagnon was the Most Valuable Player for the Bees. Mike and Daryl Tilton carried most of the scoring punch for the 11-7 Bees. Stu McCormack doubled as Captain and Most Valuable Player for the Cees, Ken Brecht and Bill Heard winning scoring honors.

# Varsity Snare League Title; Edged Out in CIF Playoffs

The 1969-70 Varsity established basketball as the premier sport on the Titan campus. The team lost only one Whitmont League encounter in rambling to the league title and a CIF play-off berth. By season's end, the team had established itself as the best in Pioneer history and the first to win a league title.

Alex Terrazas, Earl Crawford, and Jim Smith were all named to the All-Whitmont League First Team, with Junior Garcia receiving Honorable Mention. Terrazas was also named to the All-CIF Third Team. Mike Grable filled the remaining forward position, with Andy Castillo supplying additional rebounding strength and outside shooting.

The squad emerged from three preseason tournaments with a first and two second place finishes. They won the Temple City Tourney and were runners-up at both the Lakewood and Pioneer Tournaments.

The Whitmont League title put the team in the first round of the CIF playoffs against West Torrance. A last-second basket by Earl Crawford put the team in the second round of play against Millikan.

The Titans enjoyed a ten point lead going into the fourth quarter against the third-

ranked Rams, but a cold spell set in and a meager four points was all they could manage in the final period. Millikan caught fire and managed to pour through eighteen points in the closing stanza and thwart Titan playoff hopes.

# 1969-70 JV's Crowned Whitmont Kings; Lose But Once During Year

Coach Ed Moriarty turned the JV's into the best Junior Varsity basketball squad in Pioneer's history. A 21-1 season's record brought the team the Whitmont League championship. The tall, talented JV's also captured the Bell Gardens JV Tourney.

Averaging almost 62 points a game, the JV's were a highscoring group. Combining this with a hustling defense, the JV's outscored their opponents by an average of 16 points a game.

Greg Thorstenson, Russ Mills, Ruben Elizalde, Jerry Bliss, Tony Adams, Wayne Downs, and Al McNaughton all logged a good deal of playing time as Mr. Moriarty was able to substitute freely in many of the games.

Third place in the Whitmont League was the final resting place for the Bee basketballers. Their 13-8 season's record included a 6-4 league mark. Jim Rafferty handled the Bees for the first time, moving up from the lower ranks.

Captain and leading scorer Steve Witham led the Bees from his forward position. Steve scored almost 17 points a game during the entire season. Sophomore

center Art Aranda did the bulk of the rebounding and also chipped in with a 9.8 scoring average. Chip DeSon and Bruce Wagg alternated at the other forward spot and both showed a lot of hustle. Bob Duran and Pablo Alvarado rounded out the starting five, between them adding close to 10 points a game.

Tony Gonzalez and Mike Zaragoza came off the bench to nail down a couple of close games.

The Varsity golf team welcomed back five returning lettermen in 1970: Mike Rosen, Mike Dong, Alan Rosen, Bill Elliot, and Rick Canzoneri.

Although the team has never won a championship, it has always played respectable golf. On a given day, each of the Varsity was capable of breaking 80.

Each golfer had his own specialty. Alan Rosen drove the ball farther than any of the others and had the deepest concentration. His brother specialized in playing the mid and short irons. Mike Dong was the most consistent golfer on the team. Bill Elliot drove the ball farthest, while Rick Canzoneri owned the "purest" swing and was one of the finest golfers in the league.

There were ten players who alternated for the five spots on the JV squad. Gary Hunter, Len Sanchez, and Steve Witham all got in some play with the Varsity in addition to their work with the JV's. Hunter has improved steadily over the last two years, as has Sanchez; both of them experiencing some fine rounds of golf in 1970.

# Wrestlers Enjoy Individual Success in Average Season; Two Make It to CIF Prelims

Though the Varsity and Junior Varsity wrestlers both suffered through losing seasons, some outstanding individual performances highlighted the season. Coach Les Hufford and his assistants, Bart Harlan and Dave Navarro (a former Titan wrestler) put together a squad which sent two grapplers to the CIF prelims.

Ross Wilson and Richard Reynosa led the squad in victories and represented the

Whitmont League in the CIF competition. Mike Kirylo, Ricky Lopez, Danny Smith, and Rudy Navarro also wrestled capably in the lighter weight classes.

Senior Bob Foh was the most dependable of the heavier classification wrestlers, with George Kavathas and Richard Londeree also winning some big matches.

# Swim Teams All Win; Bees Take League

The swim team enjoyed a surprisingly good season, the three squads compiling a combined record of 22 wins and 10 losses. Coach Bill Brand and his assistant, Steve Powell, saw all three of their teams enjoy winning seasons.

The Varsity swimmers splashed to a 7-4 season's record. Gary Breckenridge, who broke three school records, Mark Busse, Richard Mears, Dennis Ortiz, Ken Ortiz, and Roger Nelson all had good luck on the Varsity level.

With a season's record of 9-1, the Bees were the outstanding mermen during the 1970 season. Ken Brecht, Don Hatch, Steve Kilgore, and Joe Fodor all had outstanding seasons for the Bees and helped to bring them the Whitmont League co-championship.

Jim Percy, Bill Heard, and John Eaton led the Cees to a 6-5 season's record.

# Varsity, JV's Inconsistent; Frosh Hot

JV pitcher Jim Houtekamer waits for the catcher's sign against Calhi.

Five seniors led the Varsity "nine" during the 1970 baseball season. Andy Castillo was the top pitcher and when he was on the mound, the team's defense did an admirable job. Third baseman Ray Garcia was the best fielder; Larry Dickey, the best outfielder. John Weaver did a good job of catching for Castillo and Randy Rubin.

Ruben Elizalde was the outstanding hitter on the squad. Alex Martinez, Andy Castillo, and Larry Dickey also enjoyed fine seasons with the bat.

At presstime, the Varsity's best game was against the Whittier Cardinals. Andy Castillo pitched the 4-0 shutout, only one error being committed behind him. Castillo, Elizalde, and Dickey were all potential all-league athletes.

Very poor defense was the explanation for the poor JV record. Larry Wilson did a fine job on the mound, but he received little offensive or defensive support. Second baseman Rick Tinaza enjoyed a fine season and was moved up to the Varsity half way through the year.

The Frosh team turned out to be one of the best freshman squads in years. Ricky Carrillo was an outstanding pitcher, throwing a one-hitter against league opponent, Whittier. He was also the team's leading hitter, getting three home runs in a single game. Third baseman Ron Garcia was the team's second best hitter, while Chris Sabedra enjoyed a good season at his left field position.

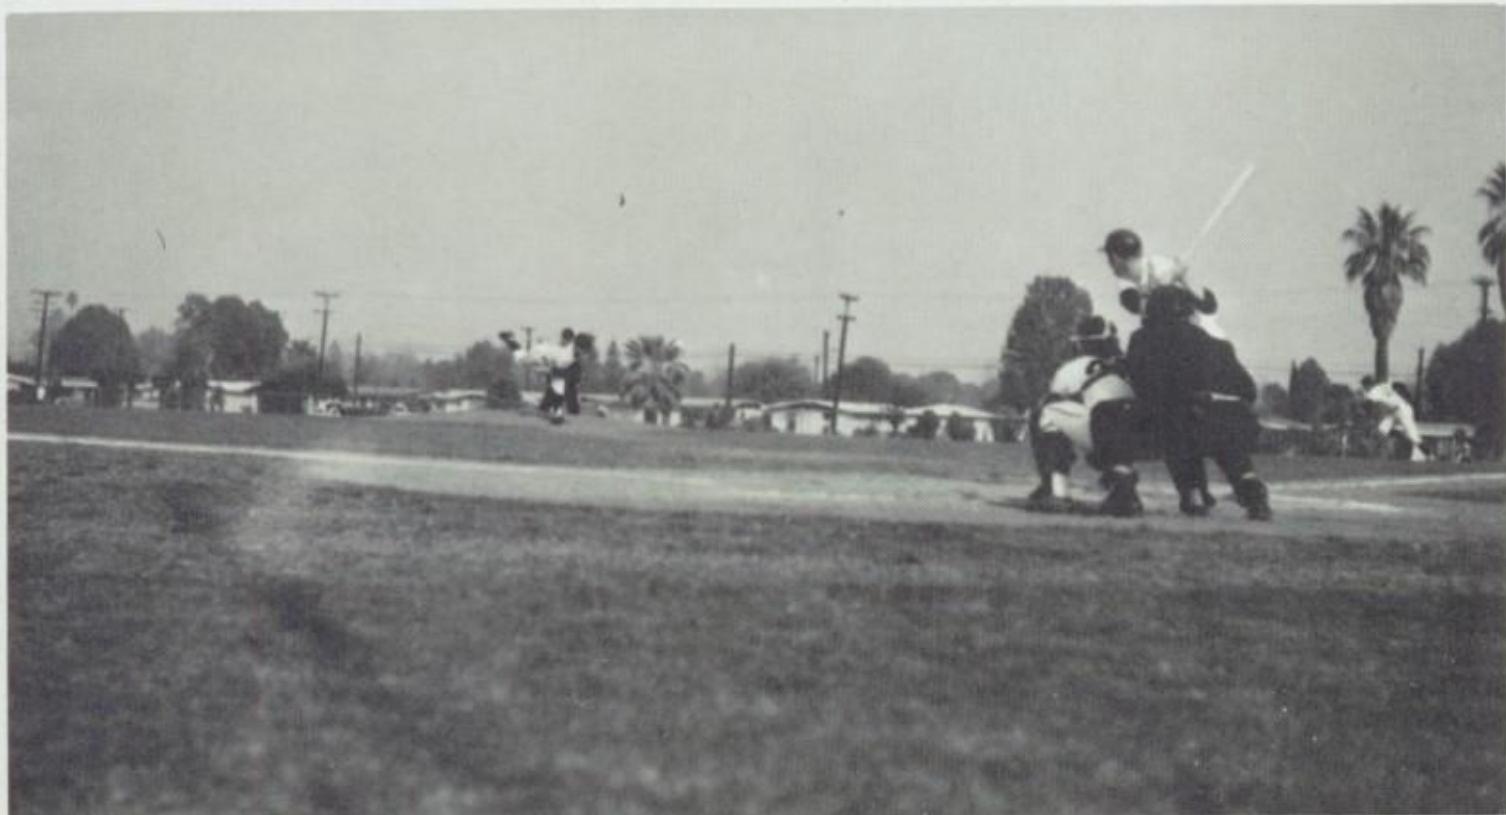

Frosh Baseball Team, Kneeling: Kevin Burtz, Ricky Carrillo, Sam Muela, Gil Holguin, Rusty Wagner, Domingo Gonzalez, Chris Sabedra, Ron Garcia.

Standing: Coach Jim Rafferty, Andy Espinoza, Rick Pfeil, Steve Telles, Mike Gonzales, Riley Hammond, David Jacobo, Kurt Sinclair.

## Gymnasts Finish Strongly; Eight Make League Finals

Enjoying four victories, the gymnasts improved steadily during the season. coach Gene Fradella worked with a young and largely untrained squad which by season's end placed eight men in the Whitmont League Finals.

Dave Tilton was the all-around best performer on the team, competing on the rings, high bars, sidehorse, and long horse. Jim Hernandez and Elias Lopez were stand-outs on the rings. Jose Rodriguez, Ray Aguilera, and Pete Topete all competed on the parallel bars, with Aguilera also doing free exercise. Joey Franco and Ricky Lopez worked the sidehorse, with Lopez also competing in the rope climb and longhorse events. Richard Reynosa joined the above-named team members in going on to league finals.

Freshman Bill Heard on the high bars and Richard Esparza in tumbling and free exercise improved greatly during the season.

The last match, against Sonora, symbolized the season's story. The team swept all five places on the rings and four of the five on the parallel bars.

# Titan Netters Count on Experience to Produce a Winning Tennis Season

With an experienced squad returning, coaches Stu Kauffman and Joe Davis hoped for a most successful tennis season.

Juan Ojeda, Bill Owings, and Dana Jewell were the top three members of the Varsity squad. Owings and Jewell also formed the number one doubles team, with

Don Shirey and Willie Castro the second doubles combo.

The JV's featured a number of promising players. Phil McMurtrey, Steve Svensson, Brian Erland, Jim Percy, Manuel Ojeda, and Richard Van daalen Wetters all played consistent tennis during the season.

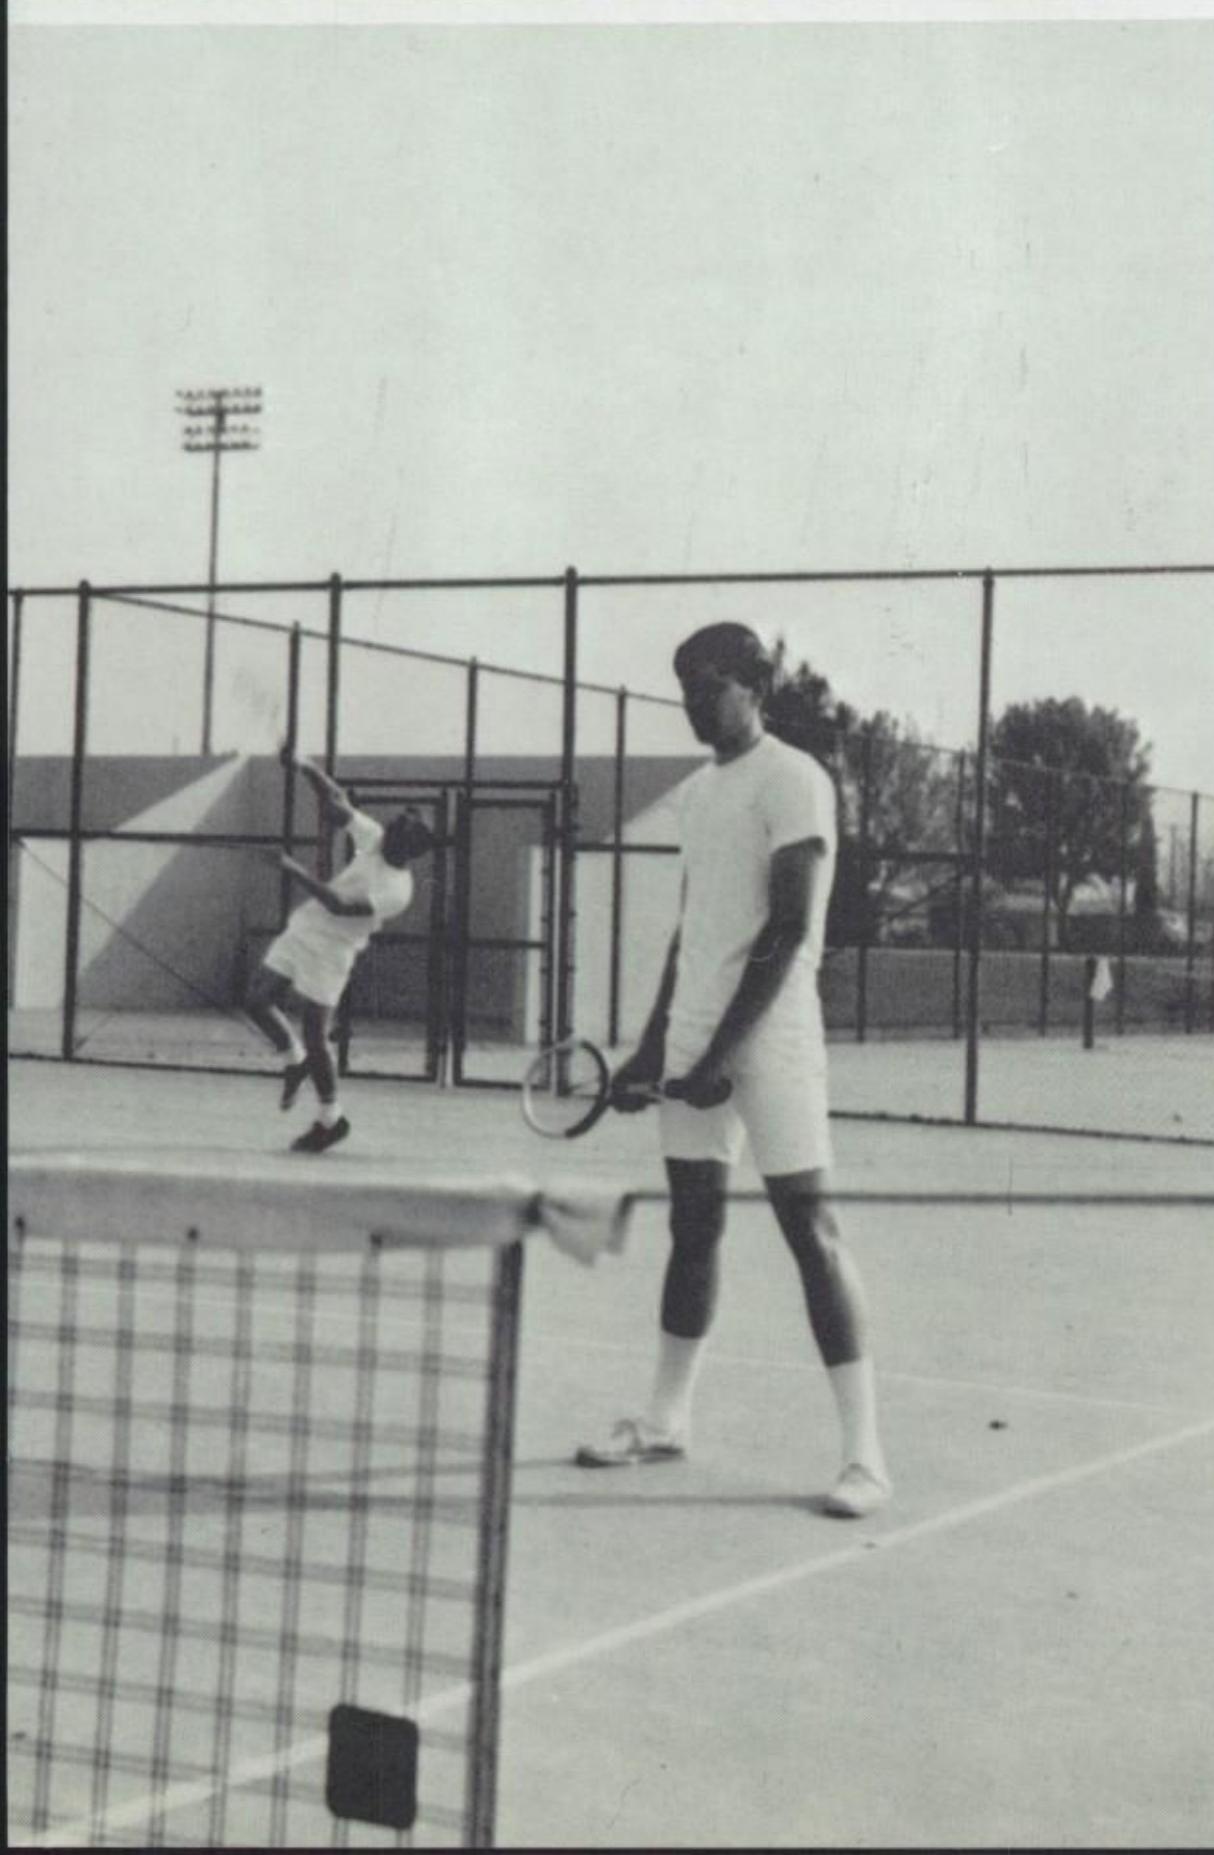

Brian Erland returns a "lob shot" against Calhi.

# Trackmen Aim for Best Season Ever

Bee Track Team, Kneeling: Rudy Martinez, Mike Snyder, Rudy Ramiro, Alvin Calhoun, Bill Grijalba, Larry Kutlesa, Bob Gonzalez, Richard Correa, Mark Anderson.

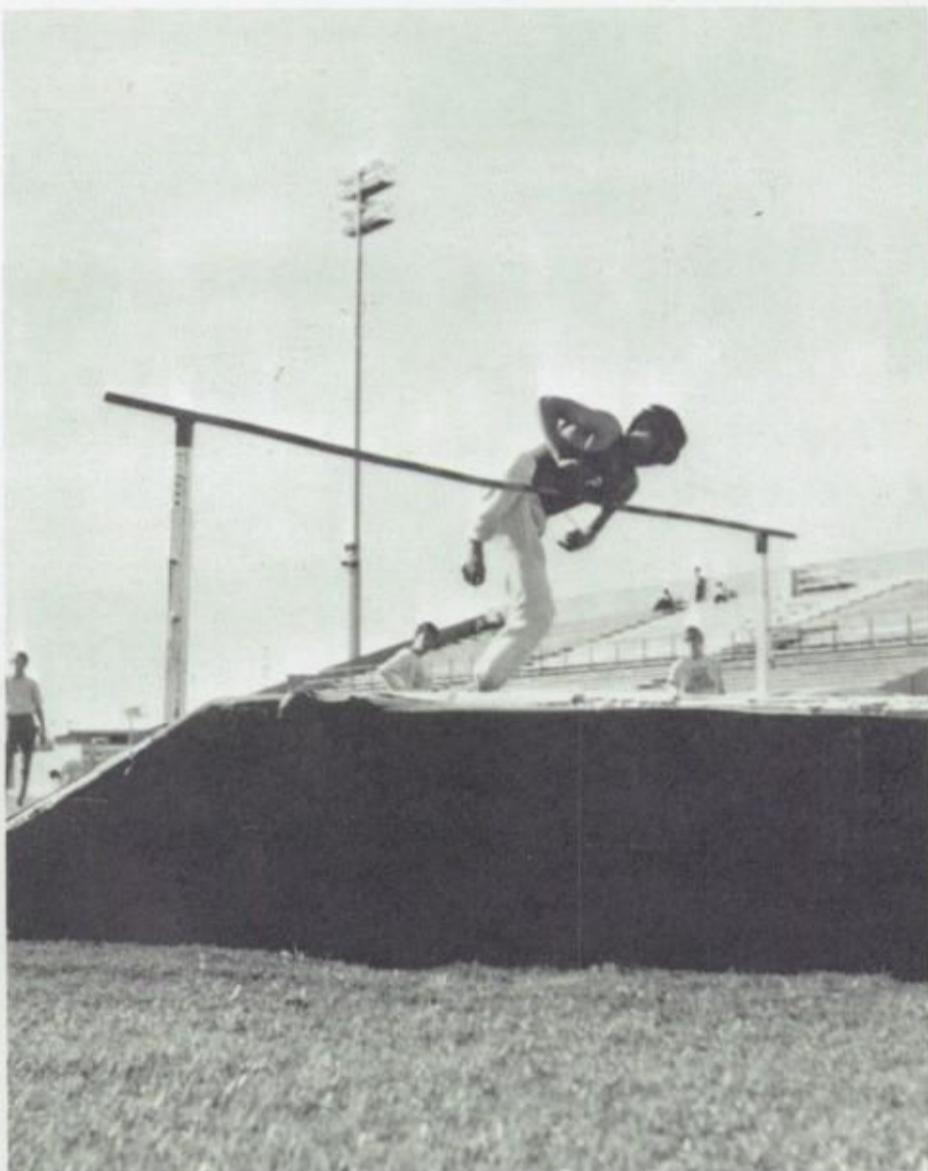

Cee Track Team, Seated: Wayne Walker, Eduardo De La Pena, Steven Ramos, Denis Kitayama, Alan Sachsel, Carlos Delgado, Jaime Sanchez. Standing: Rudy Robledo, Ora Gardner, Mike Shuck, Art Carrillo, Dan Gregg, Martin Grandusky.

At presstime, track and field seemed headed for a better than usual season. Coach Dick MacDonald and his assistants Steve Kemp and Bob Spindola, along with Luis Hernandez and Tom Castro (a former Titan trackster) had assembled a small but enthusiastic group of athletes.

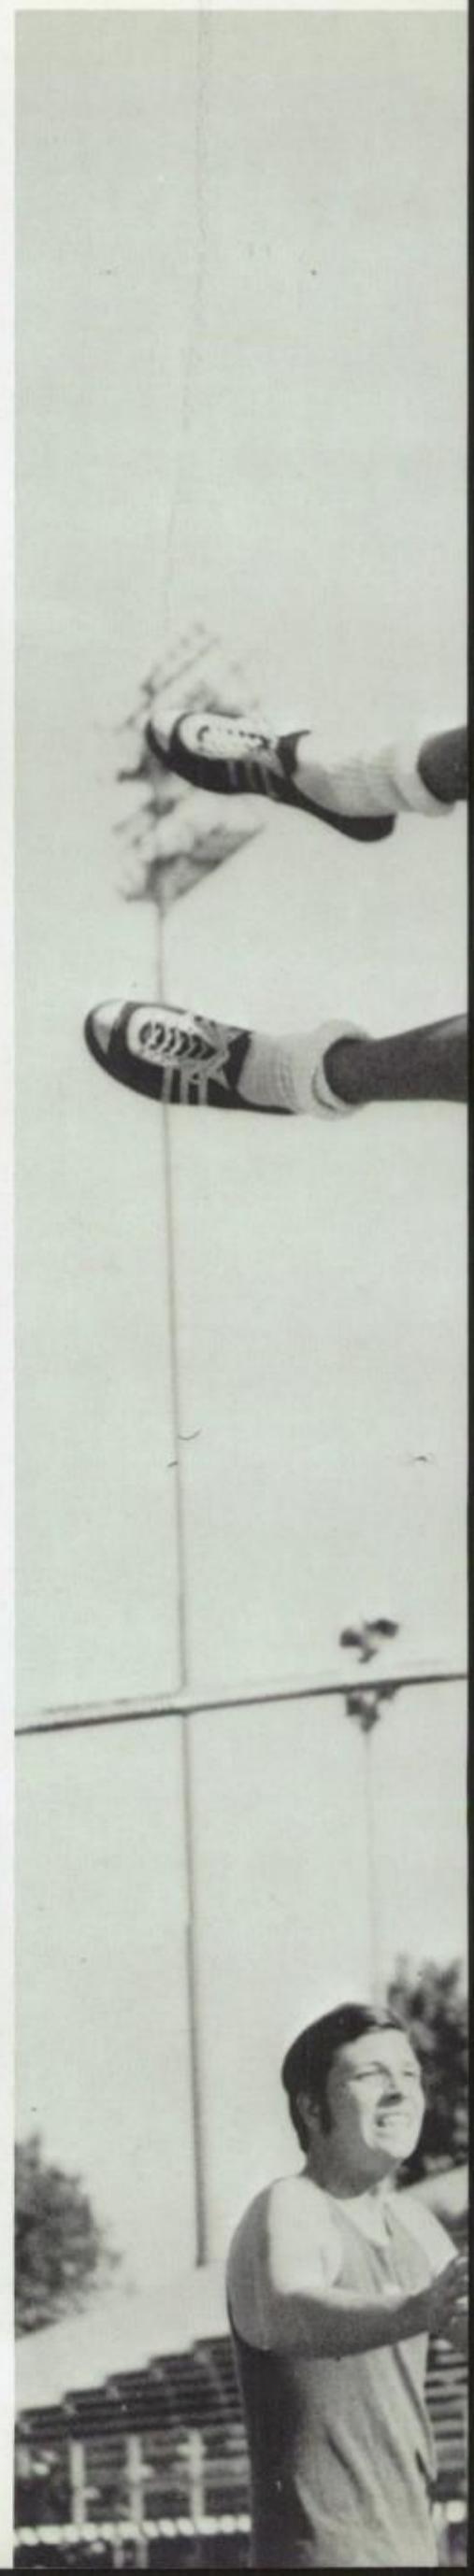

Earl Crawford in the sprints and Wayne Downs in the hurdles and high jump led the Varsity performers. John Hernandez, Jesse Martinez, Bob Lopez and Bill Haverstock composed a mile-relay team that threatened to break the school record.

At presstime, the Cees looked like the best Cee team in Pioneer history. The 440 relay team of Ora Gardner, Mike Shuck, Denis Kitayama, and Carlos Delgado was impressive. Ruben Galindo, Dan Gregg, Carlos Delgado, Alan Sachsel, and Denis Kitayama were all stand-out performers in the field events. Art Carrillo and Marty Grandusky ran well in the distance events.

Wayne Downs easily captures the high hurdles in the meet with La Mirada (left). Above, Bob Lopez sails over the high jump bar in the same meet.

# GAA Again Suffers from Poor Turnout

The Girls' Athletic Association experienced a typical year in which it suffered from a lack of participation. Although it is open to all girls on campus, the group was able to recruit few members for its six teams.

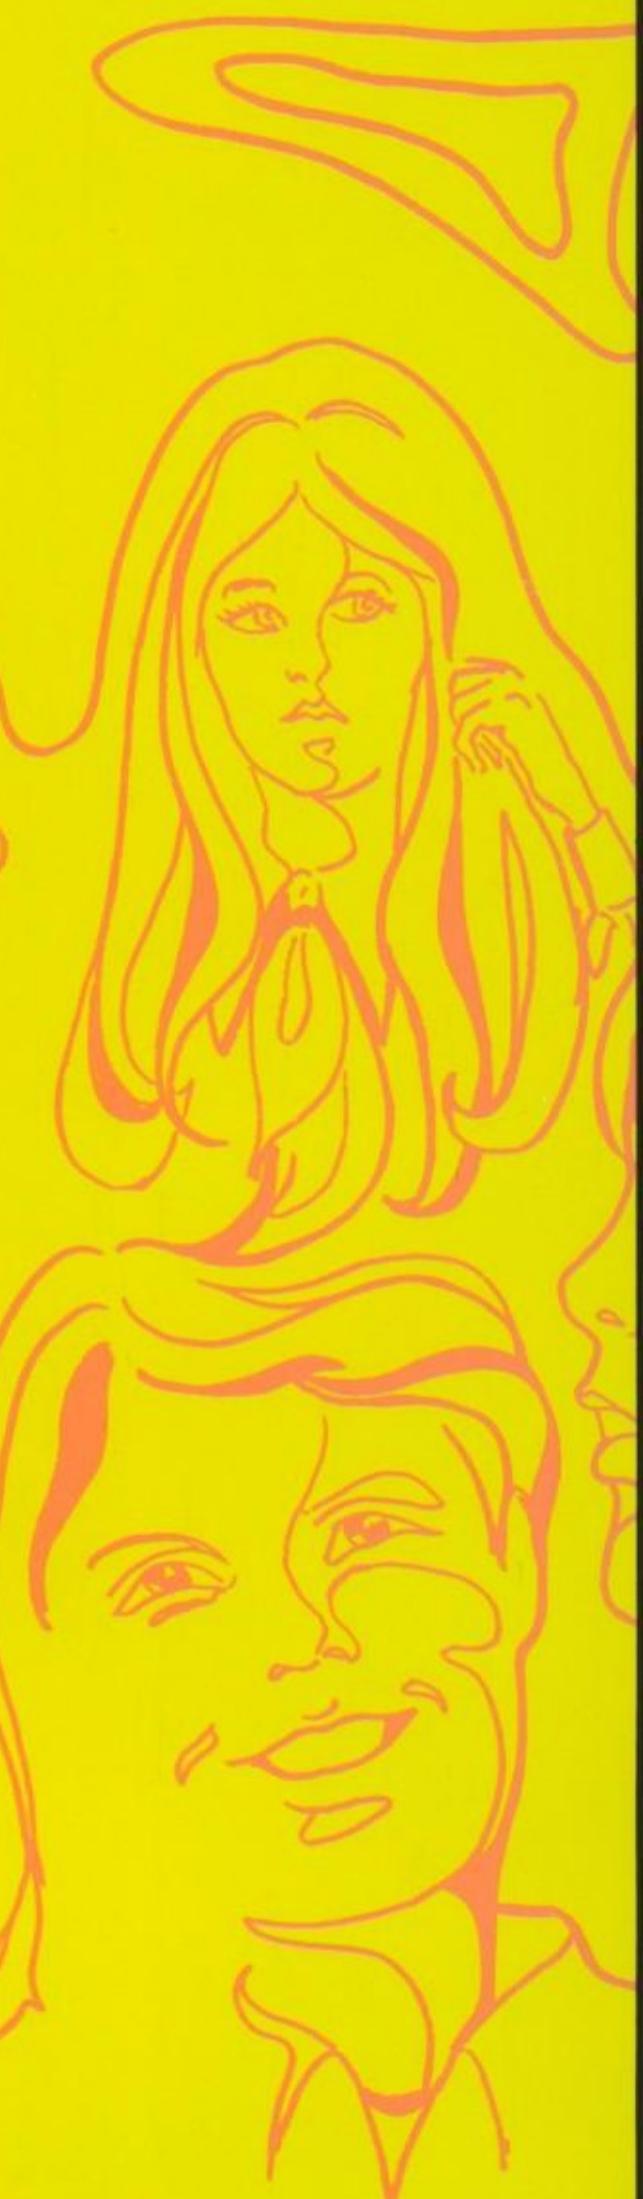

The girls competed with teams from the seven high schools in the Whittier Union High School District. Miss Claudia Surber, Mrs. Pam Hardy, Miss Cindy Waian, Mrs. JoDee Childers, Miss Marilynn Littlefield, Mrs. Marian Mason, and Miss Carole Gerlach coached the girls in softball, swimming, tennis, volleyball, basketball, and track and field.

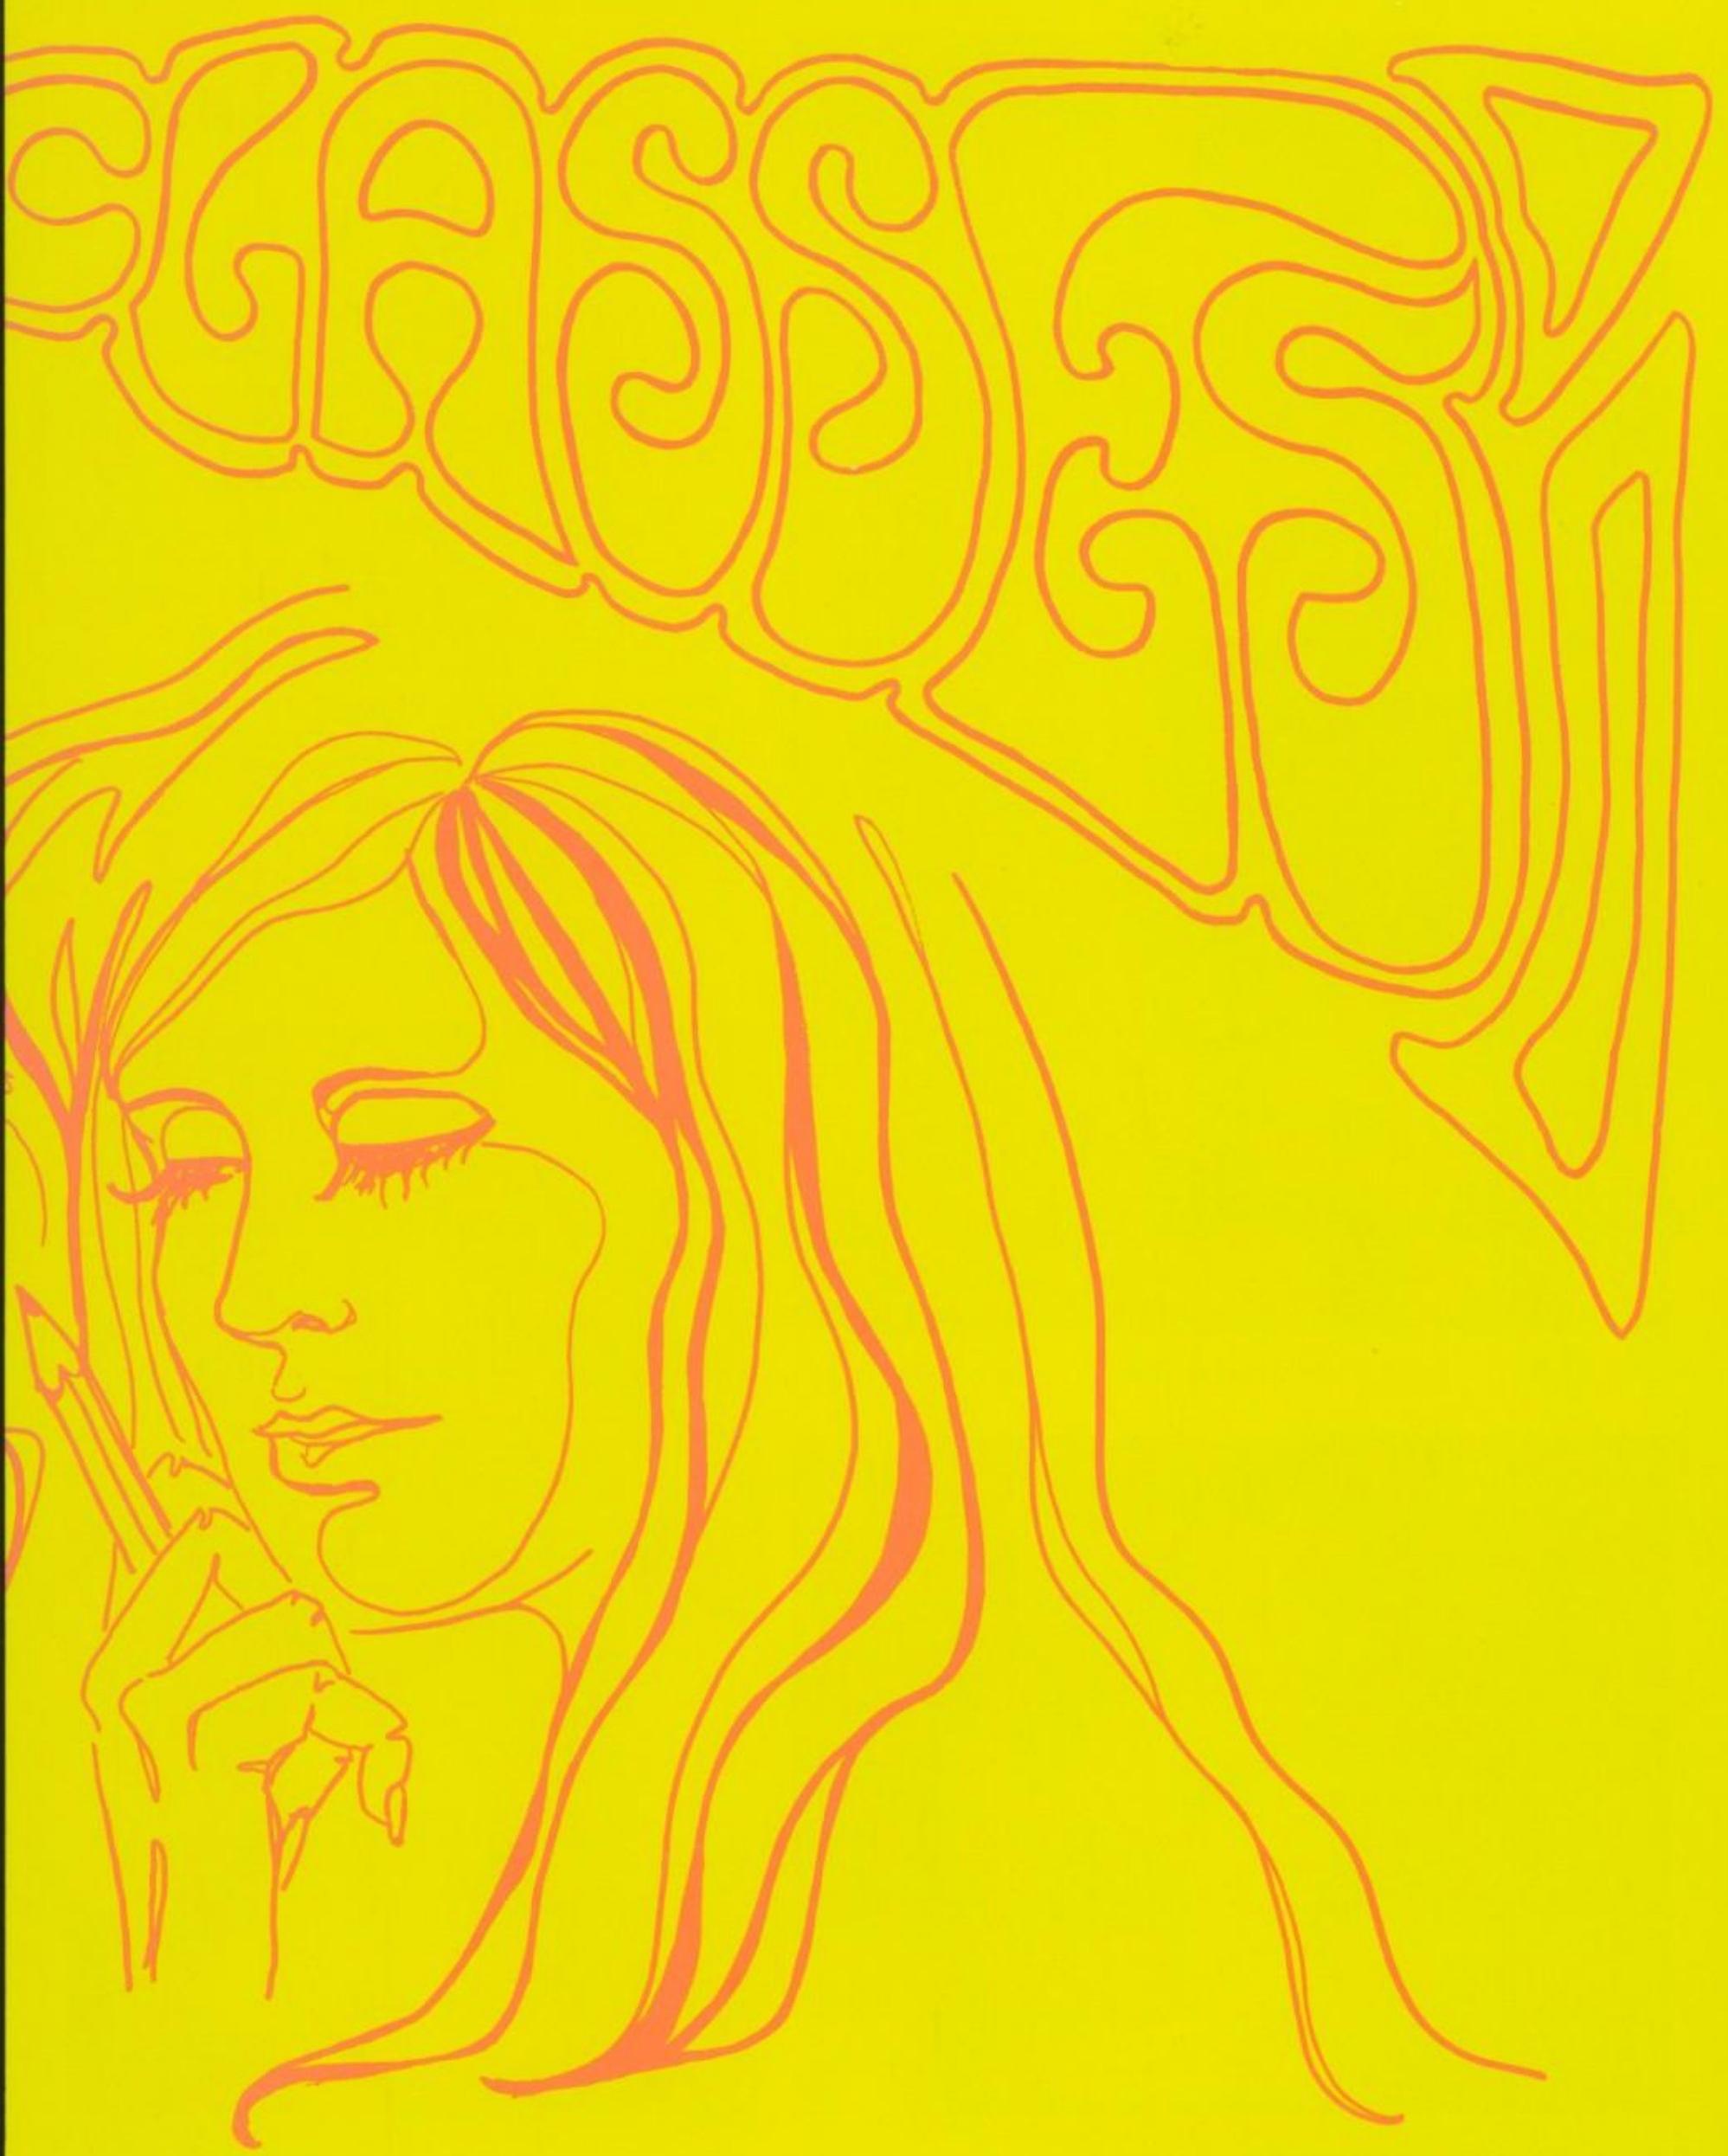

Joell Heard, Richell Heard, Diane Matkovich, and Linda Elizalde were all-around strong performers. Kim Brecht was outstanding in swimming competition.

In photo above, Vivian Maciel, Shirley Swain, and Carol Bishop battle for the field hockey ball. Linda Vicuna swings at a softball as Michele Wilson plays catcher (Top of Page). In photo top of facing page, Linda Percy puts up the basketball over the outstretched arms of Marcia Yost. At Right, Suzi Bigham, Maria Cantu, and two unidentified Titanettes battle for a loose ball. At Far Right, Frances Escajeda shoots a free throw as referee Carol Horiba looks on intently.

## Females Rule Junior Class

Throughout the school year, the junior class officers and council worked on the planning and preparation for the junior-senior prom. The group began to discuss the location of the event early in the school year, and was occupied during the first semester with finding a site for the off-campus formal dance. Choosing a theme for the dance, selecting a band, and deciding on other details were the concerns of the council during the latter portion of the school year.

The preparation for the prom included sponsoring many fund-raising activities. These included a carnival booth, a bake sale, a swap meet, and a district-wide Battle of the Bands.

One interesting feature of the council was the predominance of females. All five officers, and seventeen of the twenty council members, were girls.

# Class of '72 Anxious to Show Spirit

Early in September, the Class of 1972 began preparations for an eventful year. Led by Class President Denis Kitayama and Vice President Ruben Elizalde, the sophomores sponsored many activities to raise money for the junior-senior prom they will sponsor next year as juniors. These projects included a car wash and an after-game dance.

Money-raising activities were not the only concern of

the sophomores. They participated in Club Week by sponsoring a bubble gum blowing contest. Another major project was raising money for the Bob Thome benefit. A member of the sophomore class, Bob was severely injured in a football game early in the season. A benefit fund was established to help pay the costs of his hospitalization and rehabilitation. The council contributed money to the fund.

# Frosh Enjoy Active, Profitable Year

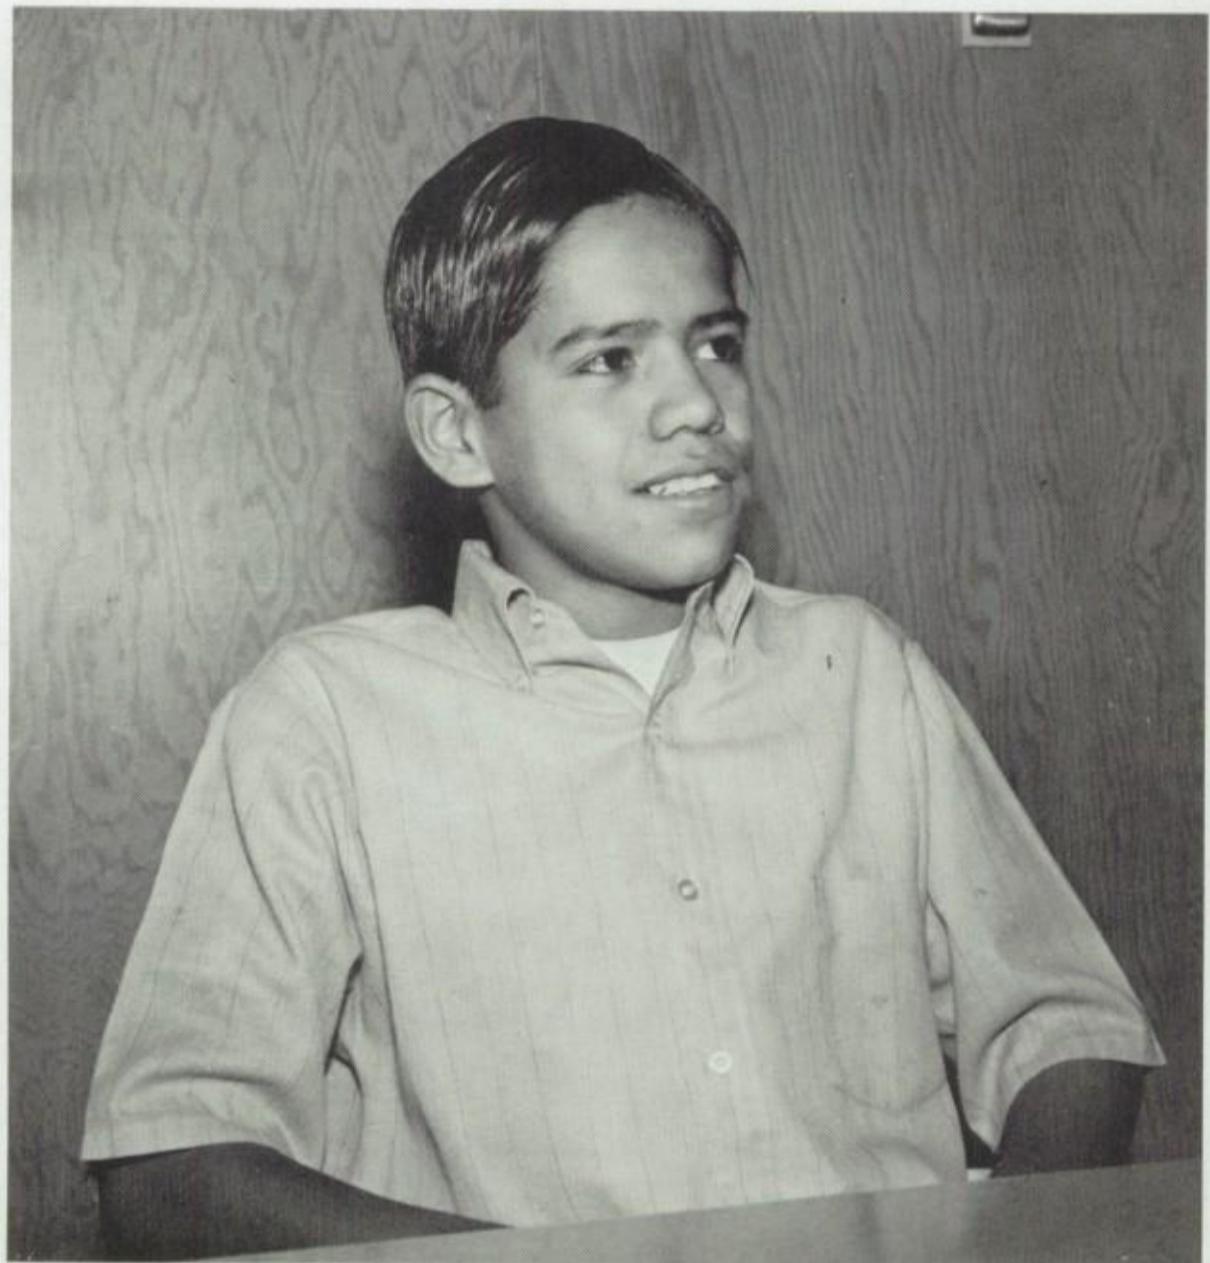

Under the leadership of Class President Frank Valle, the Class of 1973 sponsored numerous activities throughout the school year. The projects undertaken by the freshman officers and council were designed to raise both spirit and money.

The first semester activities included an egg-throwing contest and a car wash. The egg-throwing contest was a competition between faculty members and representatives of each of the four classes. Held on the pep stage during lunchtime, the contest was part of the Club Week activities.

The officers and council members also planned a dance, a carnival booth, a slave day, and a basketball game between the freshman and sophomore class councils.

# About the Faces . . .

The faces which cover the pages of this book were not selected at random and placed there haphazardly. They have a purpose. Through the use of those faces, the *Torch* staff has attempted to tell the story of Pioneer High School, 1969-70.

For the staff and myself, the decisions about which faces to use were never easy. It is our hope that our choices were good ones. We have done our best to capture the memories of the school year for every person who reads this book. With that, our job is done. The success or failure of the 1970 *Torch* is no longer ours to decide. However, that decision has not yet been made.

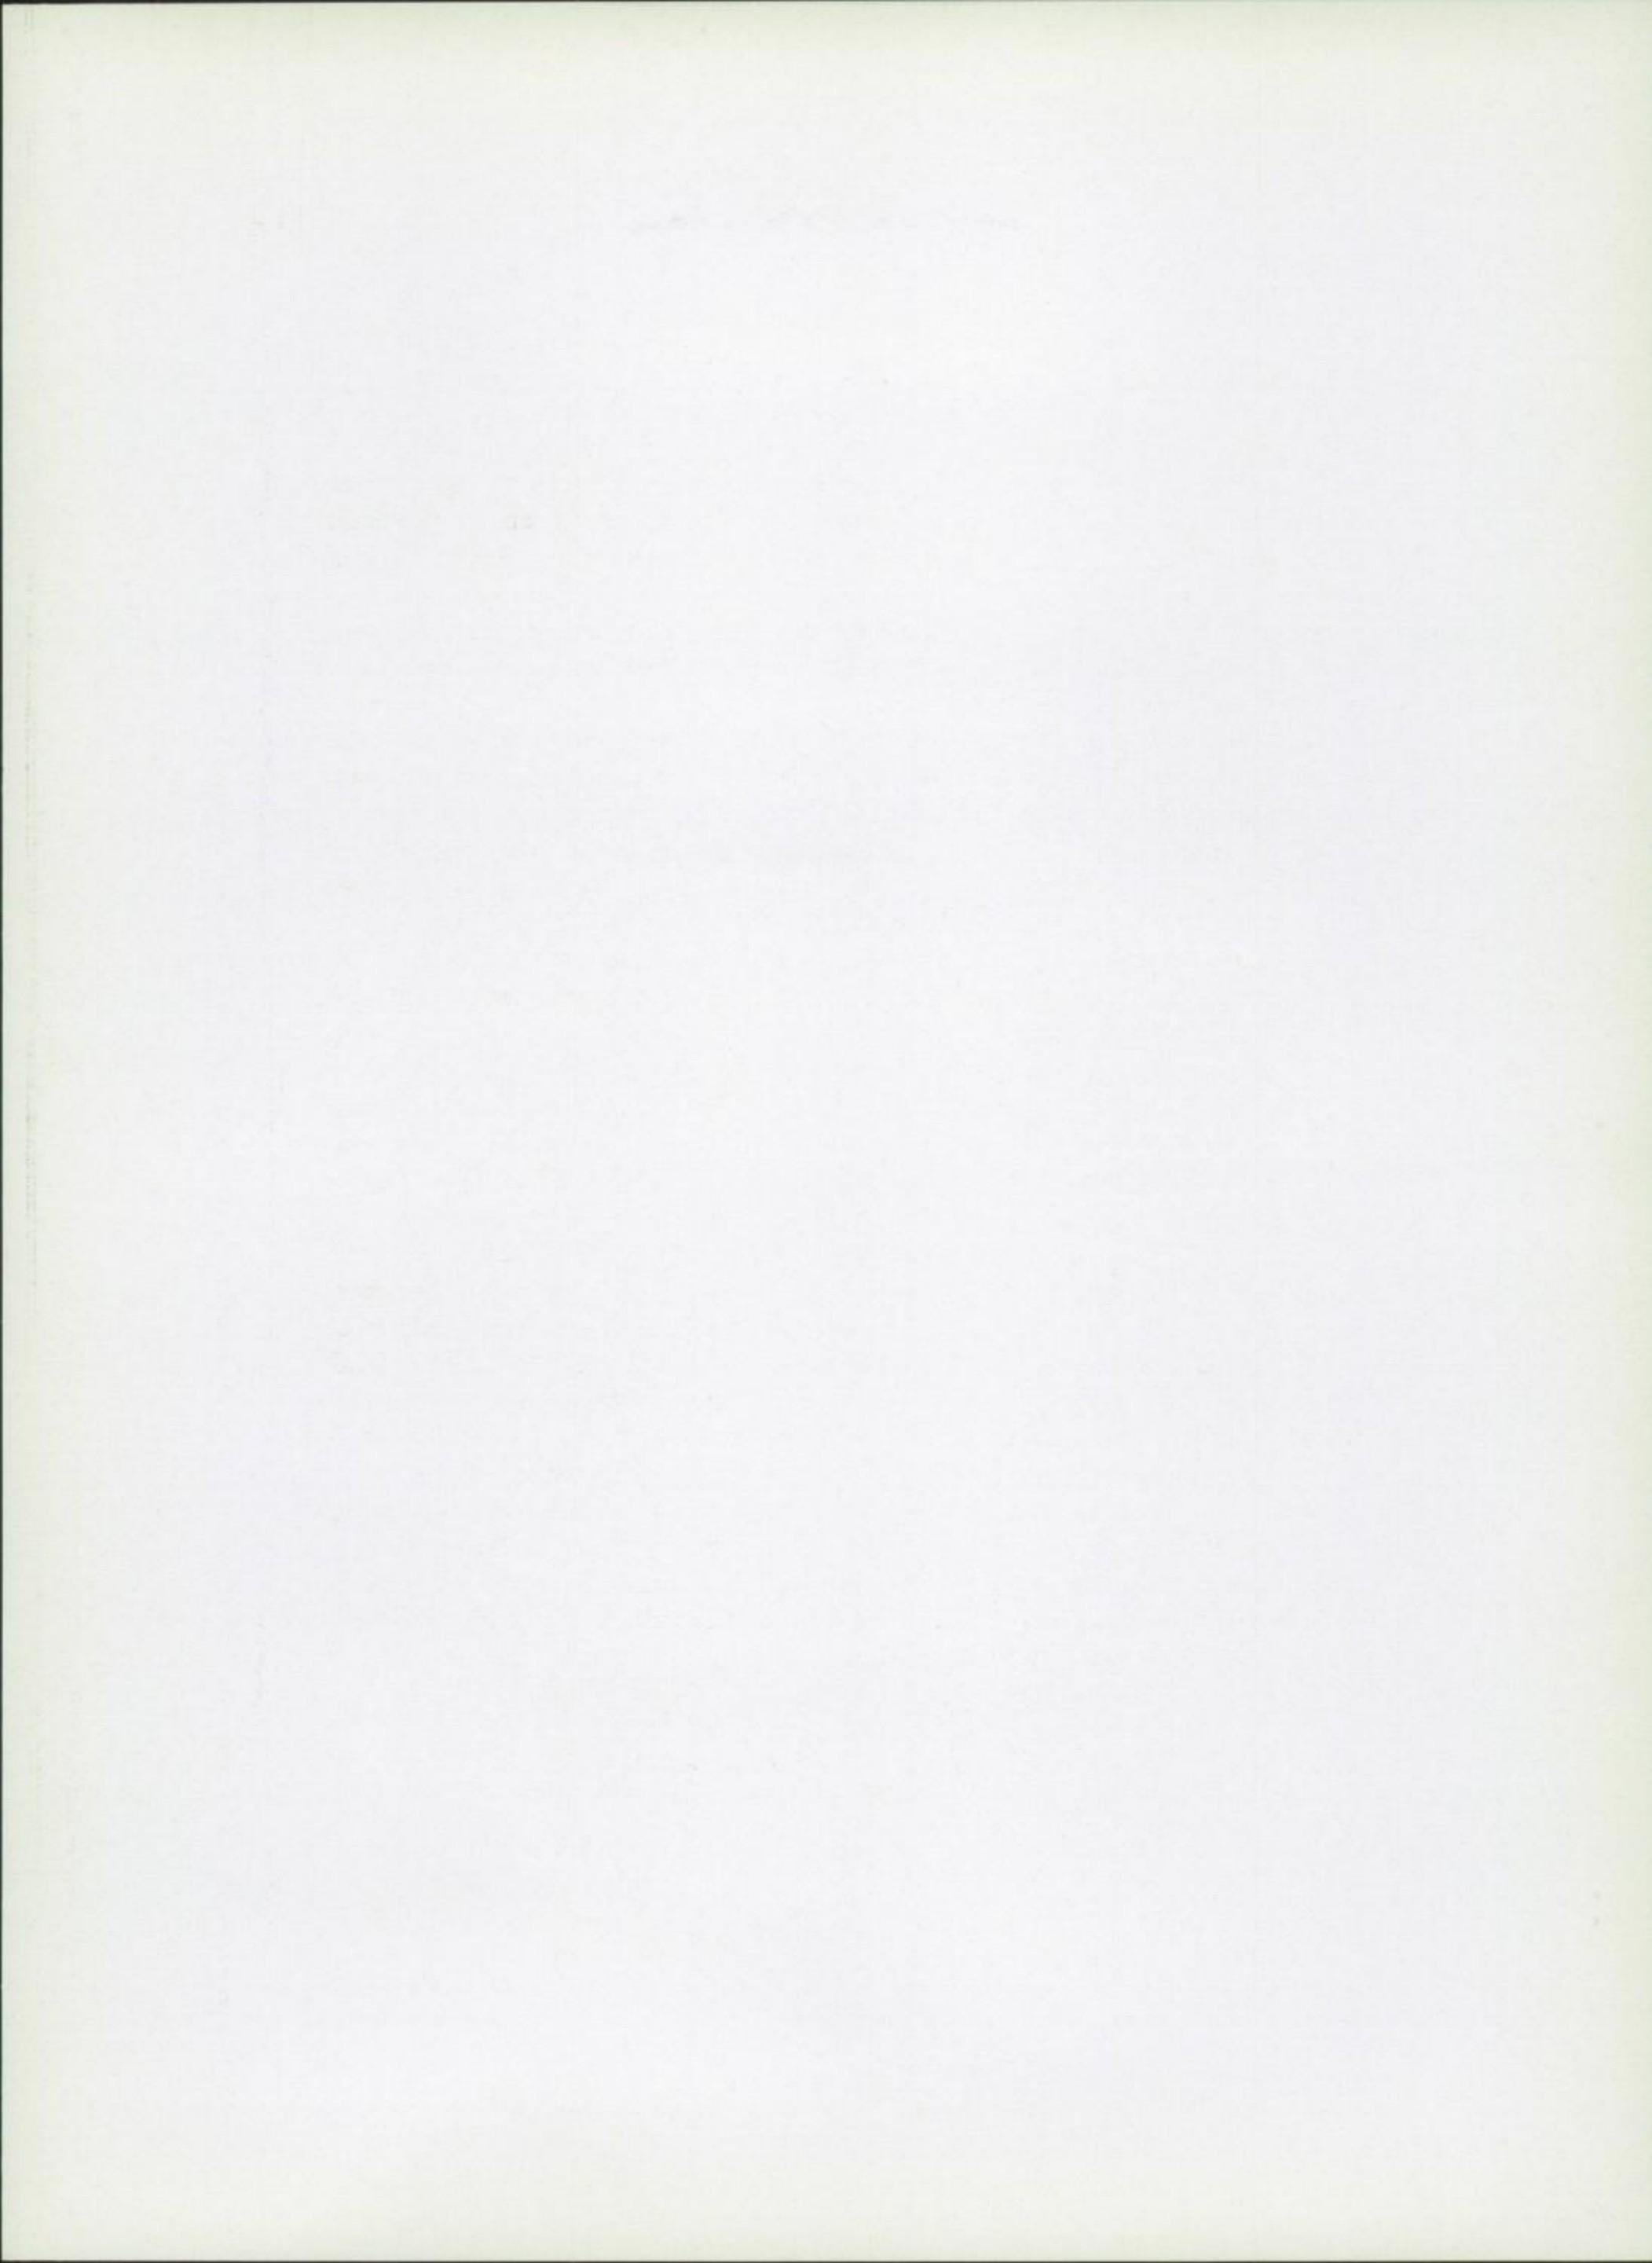

The success or failure of this book will be determined by the ability of the faces to tell the story. And, the ability to tell the story behind those faces lies with the people who own them, and with what those people have to say to the world.

In the past, those people who have had the most to say to the world, and who therefore have left their mark upon it, were those people who were individuals. The uniqueness of their thoughts and the originality of their ideas separated them from the masses. They had a story to tell to their world, a story whose message was from the heart of the individual who told the story. And by contributing their individuality, those people benefited the world.

There is probably no place on this earth where it is more difficult to be an individual than on the campus of an American high school. The easiest route, and the most natural, is to follow the way of the crowd, and to be caught up in the phoniness which so often exists. To remain an individual, a person must fight a never-ending and difficult battle. Until the battle is begun, though, there can be no individuality. Without individuality, a person can have nothing to say, no message to give to the world.

Each time a person at Pioneer engages in the battle or makes progress in his fight for individuality, his face on the pages of this book will have more to tell the world. When every Titan has something about himself to communicate, then the 1970 *Torch* will tell the story of Pioneer High School, which is their story.
